Subject: - **APPLICATION OF CORRECT WITHHOLDING TAX RATES FOR FILERS AND NON-FILERS AS PER ACTIVE TAXPAYERS LIST**

Dear Sir,

In continuation of this office letter dated 13-07-2015, this is to submit that various amendments have made in the Income Tax Ordinance, 2001, through the Finance Act 2015 applicable w.e.f 1st July, 2015. The amendments made and the change of tax rates in respect of "Filers" and "Non Filers" cannot be implemented without properly identifying the Filers as per law and relevant rules.

2. In order to ensure that the correct application of rates for filers and non filers, this is to state that **"Filers" means those whose names are appearing in the "Active Taxpayers List" on the website of FBR and no other document/manual return be treated in this regard.**

3. In view thereof, it is requested that all the Field offices under your control/Post Master Generals of Provinces may kindly be directed to deduct withholding tax at the revised rates after properly identifying the "Filers" as indicated above.

4. Your kind cooperation in this regard shall be highly appreciated.

With profoundest regards,

Yours sincerely,

(SHAUKAT MAHMOOD)
