Subject: REPLACEMENT OF COMPLETED TASKS FOLDER BY TASKS
SUMMARY IN IRIS AND RESTRICTION ON IRIS LOGIN

It is to inform you that "Completed Tasks" folder in Iris has been removed. Instead, a more detailed MIS function has been made available in "Task Summary" for the same purposes such as view option and printing etc. All the authorized user are requested to use "Tasks Summary" in place of Completed Tasks in Iris in the tab of "MIS".

2. It is further clarified that in order to ensure date security, "Iris" logins have been restricted to the extent of office premises only. However, in any specific case ,on actual need basis, "machine-based" authorization may be provided by this wing on the specific recommendations made by the concerned CCIR justifying the said facility. Log reports of accessed information are being maintained which can be checked at any time
