

**Invitation for Licence (IFL)
for IT-based solution for Electronic Monitoring (Track and Trace System)
of Tobacco Products**

- The Federal Board of Revenue of Government of Pakistan is seeking applications for the grant of five-year license to track and trace cigarettes in Pakistan;
- The licensee will be responsible for end-to-end installation and operation of a track and trace system connecting cigarette manufacturing sites and import stations to the FBR and law enforcement officials. The track and trace system would include the provision of tax stamps and integrated codes to enable real-time electronic monitoring of the cigarette supply chain throughout Pakistan;
- A single stage TWO envelopes procedure will be followed as per procedure given in Invitation for Licensing (IFL) and Licensing Rules, 2019;
- Invitation for Licensing (IFL)/document can be collected from the undersigned between 0900 hrs to 1600 hrs on any working day through written application;
- Sealed applications must be delivered within 30 days of the publication of this advertisement at the address given below. A Pre-licensing conference shall be held at FBR-HQ, Islamabad on 15th of the publication of this IFL;
- The applications shall reach to the office of undersigned within thirty (30) days from issuance of this advertisement which shall be subsequently opened in the presence of applicants and Licensing Committee in FBR-HQ, Islamabad;
- The FBR reserves the right to accept or reject the applications as per Licensing Rules, 2019;
- This advertisement is also being placed on the PPRA website;
- Please note that all previous RFPs dated February, 2013, June, 2014 & April, 2017 issued by the FBR are being cancelled.
