I am directed to refer to refer your representation No. Nil, dated Nil on the subject noted above and to say that the President has been pleased to pass the following orders:-

2. In its complaint made to the Federal Tax Ombudsman on 05.04.2008, the complainant (a limited company) alleged that the Commissioner Income Tax was guilty of maladministration in not paying it additional amount for delayed payment of refunds for the assessment years 1997-1998 and 1999-2000. The excess amount of tax for the assessment year 1997-1998 was refunded in two instalments on 25.10.2000 and 30.03.2000 and for the assessment year 1999-2000 on 08.01.2001. After obtaining preliminary information on the complainant's case the FTO has closed the investigation on the ground that the complaint has not been made within six months from the day on which the complainant *first* had the notice of the matter alleged in the complaint. According to the FTO the complainant *first* had the notice of the matter when (25.10.2000, 30.10.2000, 08.01.2001) the refund of excess amount of tax was made without payment of additional amount on account of delayed payment.
