In terms of Rule 12 of Public Procurement Rules, 2004 the public sector procuring agencies are required to advertise their tender notices for procurements of goods, services and works above rupees one hundred thousand on PPRA website ([www.ppra.org.pk](http://www.ppra.org.pk)). Tenders received from procuring agencies through mail, email, fax or clippings from newspapers are uploaded on PPRA website on daily basis.

1. PPRA has provided the facility to public sector procuring agencies for directly uploading their tenders on the website after getting an ID and password from PPRA to fulfill their mandatory requirement. In most of the cases the tenders are only published in print media ignoring advertisement on PPRA website in violation of Rule 12 of Public Procurement Rules, 2004.

2. Kindly direct the functionaries concerned to meet the stipulated mandatory requirement by utilizing the facility of PPRA website by obtaining ID/password provided by PPRA.

With best regards,

Yours sincerely,
