My dear colleagues السلام عليكم

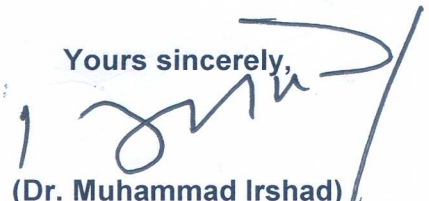

It gives me immense pleasure to share with you that Inland Revenue Reward Rules, 2016 have been approved by the Board-in-Council, **الاجتماعية**. This achievement is a reflection of our determination and hard work to bring out the best for the fraternity, of which we all are a part.

2. I am positive that these reward rules will act as a catalyst for all such officers and officials who are working very hard and producing outstanding results. Furthermore, with the approval of these Reward Rules, we shall also be able to establish our Inland Revenue Welfare Fund for the general welfare of the serving officers and officials of Inland Revenue Service.

3. Let me also say that once we are through this phase, we have to be very cautious and treat this with utmost discretion. This goes without saying that sanctioning authorities are *Ameen* of this trust. I am confident that they will be using these reward rules with full responsibility and with the sense that we all are accountable to our conscience.

4. In the end, I would like to take this opportunity to congratulate you all once again and acknowledge the fine contribution made by you in your respective positions in the Inland Revenue Service. I am most honored to be a part of this family and assure you that I shall do my best to uphold the good name and rise to meet your expectations and the challenges ahead.

5. I wish you best of luck and shall pray for your success.

Yours sincerely,
