

Examples of Successful Email Phishing

Many successful email phishing attacks have been carried out in the past, which is why they continue to be used to this day. One of the many examples discovered by FBR related to phishing email is as follows:

Dear Taxpayer,

Federal Board of Revenue has identified an error in the calculation of your tax from the last payment, amounting to PKR 223,148.00.

To return the excess payment, please click "Claim My Refund" below:

**Subject : SHOW CAUSE NOTICE U/S 2(36(C) OF THE INCOME TAX
ORDNANCE, 2001 READ WITH RULE 214 AND 220 OF THE INCOME TAX
RULE, 2002**

Dear Sir,

In exercise of the powers vested in me under clause (c) of sub-section 36 of section 2 of the income tax ordinance, 2001 read with rule 214 and rule 220 of the income tax rules, 2002. It has been observed that the income tax filed by you does not match your known sources of income. The filing of your tax return under relevant provisions of the ordinance have resulted in suppression of income. You must at the earliest contact your Commissioner Inland Revenue for settling of the issue.
