No. 1(130)SS(BDT)/2017/105159-R

Islamabad, the 4th September, 2018

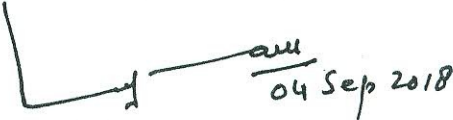

Subject: **LAUNCHING OF IRIS-ADX FOR OFFLINE PREPARATION OF INCOME TAX RETURN AND WEALTH STATEMENT- TAX YEAR 2018**

In continuation of FBR's policy of facilitation of taxpayers and ensuring ease of doing business, IT Wing has launched Iris-ADX (Asynchronous Data eXchange), an application that allows the taxpayer / E-intermediary to prepare data related to Income Tax return and Wealth Statement in **offline mode**.

2. The taxpayer / EI will download **Iris-ADX application** from FBR website available at <https://www.fbr.gov.pk/Contents/launching-of-iris-adx-for-offline-entry-of-sales-tax-data/21167> and install it on his personal computer / desktop. Salient features of the application include:

- (i) Prepare Income Tax Return;
- (ii) Prepare Wealth Statement;
- (iii) Multi-user environment;
- (iv) Facility to prepare Income Tax returns without requirement of connection with internet;
- (v) In case of bulk data, application streamlines the data communication process as application and Iris online system can exchange information at their own pace;
- (vi) Configurability to allow simultaneous preparation and uploading of returns related to multiple taxpayers;
- (vii) Seamless uploading of prepared data to FBR repository;
- (viii) Offline MIS reports;

3. With the launching of this application, the taxpayer / EI will be able to prepare Income Tax returns **without having to remain connected with the internet**, thus the issues related to connectivity, peak load, system downtime etc. will have no effect on the speed / efficiency of data entry.
