C. No. 1(62)/SS(BDT-IT)/2017/33989-R

Islamabad, the 27th March, 2018

Subject: PAYMENT OF TAXES THROUGH ALTERNATE DELIVERY CHANNELS (ADC)

Federal Board of Revenue has launched the system of payment of taxes through Alternate Delivery Channels (ADC) through which taxpayers would now be able to make payments of federal taxes and duties, i.e. income tax, sales tax, customs duty and F.E.D. from any commercial bank account through Internet Banking, ATM, Mobile Banking and contact centers. Availability of these options will improve the efficiency of the system, provide convenience for taxpayers and improve ease of doing business in Pakistan. For the convenience of all stakeholders, the process to be followed to avail this facility is outlined as under:

- Step 1.** Taxpayer will login to the FBR system (<https://e.fbr.gov.pk>) and prepare the PSID as before. However, he / she will select the ADC payment mode on the PSID;
- Step 2.** Taxpayer will note down the PSID number for further processing;
- Step 3.** Taxpayer will login to the online banking system of his/her bank through computer or mobile phone or visit ATM facility. The bill payment screen of the bank shall reflect "FBR" as biller. The taxpayer shall click the option "FBR". The bank / ATM screen shall require the taxpayer to enter the PSID number. The screen will appear for making payments to FBR;
- Step 4.** By entering PSID, the payment details shall be visible to the taxpayer for approval of the payment of taxes. Upon confirmation, the bank account of taxpayer shall be debited and a message of successful transaction shall be visible on the screen;
- Step 5.** Within 03 hours of confirmation, the payment will be marked as paid. A CPR will be provided to the taxpayer through e-mail and confirmation message sent on SMS. At the Same time CPR will be available on FBR systems for further use.
