C. No.1(1)ST-LP&E/ZR/Misc/2017-Pt/240625-R

Islamabad, the 23rd December, 2020

Office Memorandum

Subject: Decision of the Economic Coordination Committee of the Cabinet.

I am directed to refer to the decision of Economic Coordination Committee (ECC) of the Cabinet in case No.ECC-434/59/2020 dated 02.12.2020, and communicate that FBR has no objection to allowing concessionary rate on supply of electricity/gas to 4,084 taxpayers (**Annex-A**), who were availing zero-rating of sales tax on supply of utilities in terms of rescinded SRO.1125(I)/2011 and their particulars existed in various STGOs issued in this regard, as on 30.06.2019 and are presently appearing on FBR's Active Taxpayers List (ATL) (<https://e.fbr.gov.pk/atlsearchutility.aspx>).

2. I am further directed to say that FBR shares monthly ATL list with DISCOs/Gas Companies every month. Utility companies may, therefore, be directed to ensure that concessionary utility tariff is accorded to only those manufacturers/ taxpayers that appear on the ATL while generating monthly electricity/gas bills. This is necessary to safeguard the interest of the national exchequer.
