C.No.14(01)SS(Lit-SC)Mgt/2019

Islamabad, the 23rd July, 2021

CIRCULAR

It has been observed with concern that some of the field offices are not defending service related litigation cases properly and the performance of their nominated Counsels is not up to the mark. This state of affairs creates administrative difficulties for Legal and Admin Wing to defend FBR's cases before Honorable Courts.

2. To ensure due diligence in the service matters and adoption of uniform approach in legal cases, it has been decided that henceforth, Departmental Representative (DR) well versed with the facts of the case of the field offices will attend Courts in connection with Service Matter Litigation and keep track of each date of hearing. The outcomes of each hearing will be transmitted to the FBR (HQ) through the respective head of formation for updation in the HRIS software.
