BUDGET EXERCISE 2022-23

GOVERNMENT OF PAKISTAN
REVENUE DIVISION
FEDERAL BOARD OF REVENUE

C.NO.6(1)/2022-CB-5391-A

Islamabad, the 12th January, 2022

To:- All Chamber of Commerce and Industry

SUBJECT:- BUDGET PROPOSALS 2022-23 – CUSTOMS RELATED

I am directed to refer to the subject cited above and to invite customs related budget proposals for the year 2022-23. These proposals may cover three areas i.e. changes in Customs Tariff rates, Rules/Procedures and Customs Act, 1969.

2. In order to enable the Customs Wing of the Federal Board of Revenue (FBR) to properly process and evaluate each proposal, three separate formats are attached as **Annex-I, II and III** for preparing the proposals on MS Excel Sheets (**Please DO NOT use any other format**). It is suggested that while formulating the proposals, provision of the existing customs tariff rates/law may carefully be studied/consulted. Wherever required the proposal may be supported with the statistical data etc, so that it is not dropped on account of any such infirmity.

3. In case of local manufacturer claiming tariff protection on its finished product(s) or concession on its raw materials, please complete **Annex-IV** also, without which it will not be possible to process these types of proposals.

4. It is requested that the proposals may be sent to the Board by **March 31, 2022** positively through e-mail [secretary.customsbudget@fbr.gov.pk], followed by the hard copies.
