Subject: 24/7 Supervision by Assistant/Deputy Collectors at Airports

I am directed to refer to the subject cited above and to state that from now onwards, every Arrival Shift at all the Airports shall be physically supervised by an Assistant/Deputy Collector(AC/DC). The supervisory AC/DC shall ensure that genuine passengers are not harassed in case of their baggage containing the items banned via SRO 598(I)/2022, and are facilitated.

2. Furthermore, the on-duty AC/DC must ensure that commercial quantities of the banned items are not being slipped away in passenger baggage so that the phenomena of "*Khepias*" is discouraged, thereby ensuring facilitation to genuine passengers.

3. The Collector of Customs will make snap visits daily during the day to ensure that the above instructions are being followed in letter and spirit.
