C.No.25(28)/MIR-IV/2018

Islamabad, the 21th June, 2022

To: All Chief Commissioners/DGs-IR,

Subject: Fixation of Seniority of employees of Computer Wing (IR) and DPCs/DPUs, Transferred to different IR Field Formations.

I am directed to refer to the above subject and to say that due to winding up of offices of Computer Wing (IR) and its DPCs/DPUs, the employees have been transferred to different IR Field Formations for best utilization of their services. The remaining staff will also be transferred in due course of time.

2. As regards the matter of fixation of seniority of employees of Computer Wing-(IR) and DPCs/DPUs transferred to different IR Field Formations, the case has been examined in the Board. All such employees are being transferred as a result of administrative exigency in the public interest without their own will. It has, therefore, been decided that all such employees in BS-1 to 15, whose seniority is maintained at level of each office/station, shall be assigned seniority in the respective station/office with effect from the date of their regular appointment in the respective cadre in Computer Wing (IR) or its DPCs/DPUs under Rule 4(b) of Civil Servants (Seniority) Rules, 1993. However, this decision shall not apply to DEOs (BS-14), as their seniority is already being maintained by the Board on all-Pakistan basis.
