

**GOVERNMENT OF PAKISTAN  
REVENUE DIVISION  
FEDERAL BOARD OF REVENUE  
(IT WING)**

\*\*\*\*\*

F. No. 2(67)SS(BDT)2021/136628-2/146047-2 Islamabad, the 8<sup>th</sup> June, 2022

**Subject: CREATION OF VIRTUAL BUSINESS DOMAIN TEAM (V-BDT).**

Keeping in view the importance and central role of IT systems in FBR's revenue operations and the feedback being received from field formations, taxpayers and tax practitioners, there is an urgent need to improve and enhance the IT systems, especially with regard to user-interface, automation of business processes, and improvements required for efficiency.

2. For this purpose, it has been decided to obtain feedback and input of FBR's officers/users who are most affected by the IT systems, to suggest improvements and test the new systems being developed. Enhancements are being made to IRIS, as well as payments systems, withholding systems, legal management systems, audit and risk management systems, etc. For this purpose, FBR seeks the nomination of willing/interested officers to be part of the Virtual Business Domain Team (V-BDT). These should be officers having hands-on experience with IRIS and other systems, having IT skills and positive/constructive approach to improving the systems. The V-BDT will enable FBR to speed up development and improvements in the vital IT applications which can help to improve efficiency and help enhance revenue.

3. I am further directed to convey that the nominated/volunteering officers will remain posted at their actual place of posting, and any meetings/interactions with IT Wing and PRAL shall be on Zoom, Whatsapp or email.

4. All the formations are requested to convey the names of officers to be part of Virtual BDT Team as early as possible, so that the development work is expedited.

  
**(Kiran Zahra)**  
Second Secretary (BDT-IT-I)

**Distribution:**
