Sales Tax General Order # 08 of 2025/ IR Operations

**ELECTRONIC MONITORING OF PRODUCTION BY COUNTING COTTON BALES
THROUGH VIDEO ANALYTICS**

In exercise of the powers conferred under Section 40C (2) of Sales Tax Act, 1990 and Rules 150ZQR and 150ZQT of the Chapter XIV-BA of the Sales Tax Rules, 2006, The Federal Board of Revenue is pleased to direct that all the registered persons engaged in textile spinning shall install video analytics solution as specified under the rules with immediate effect.

2. It is hereby notified that the processing of cotton bales at all the textile spinning units shall be monitored through video surveillance and video analytics solution, by installation of production monitoring equipment at production lines/blendomats/auto-plucker machines, as provided by the vendors approved by the Board.

3. All the registered persons engaged in textile spinning are hereby directed under law to make necessary arrangements for installation of video analytics solution (including hardware and software) for successful implementation of electronic monitoring of production by 31st December, 2025.

4. In order to ensure timely installation of the video analytics solution, the concerned Chief Commissioners shall also notify dedicated focal persons who will work in liaison with the registered persons engaged in textile spinning and authorized vendors for video analytics solution. All field formations are hereby directed to prioritize the implementation process by focusing on high-risk registered persons involved in textile spinning who are using undocumented cotton bales (commonly known as "Gol Mall"). A non-exhaustive jurisdiction-wise list of registered persons engaged in textile spinning is also enclosed.
