Subject: Final Call for Enrollment in Google Career Certificate Trainings

Please refer to the subject cited above.

2. I am directed to refer to this office's earlier communication vide Letter No. 3(11)/2025/SAtodG(IT&DT)/67043-R dated 26th May 2025, regarding the launch of the Google Career Certificate (GCC) training program for the workforce of the Federal Board of Revenue.
3. It has been observed that despite having joined the program, some officers/officials have not yet enrolled in any course. As the waiting list for participation is extensive, it has been decided that those who have joined but failed to enroll in at least one course by **7th September 2025** will be removed from the program to accommodate others on the waiting list. You are therefore requested to register for your chosen course(s) to avoid being removed from the program.
5. For any queries, please contact **haneen.saif@gmail.com**. Your timely action will ensure your continued participation in this valuable professional development opportunity.
