On receipt of report from IOCO the Commissioner shall then determine the final annual quantitative entitlement of inputs and grant final approval for zero-rated purchases or imports. In case of non-receipt of report from IOCO within four months of the application made by the manufacturer, the Commissioner shall provisionally allow another six months quantity to the applicant manufacturer;

However, the input goods shall be purchased or imported before the expiry date of the approval.
- (i) the manufacturer shall communicate to the concerned Commissioner of Inland Revenue in writing about the consumption of imported or locally procured inputs within ninety days of their consumption. The indemnity bond shall be released on receipt of written confirmation regarding consumption of goods by the manufacturer.
- (j) in case the input goods are not consumed within the period allowed in the approval, the manufacturer shall pay the amount of sales tax involved or obtain extension from the Commissioner of Inland Revenue under intimation to the Collector of Customs;
- (k) the concerned Commissioner Inland Revenue, whenever he deems necessary but not more than once in a calendar year, may get the records of the manufacturer audited.
