(3) In case the applicant is already holder of any one of the three AEO certificates, he shall clearly highlight in its application all the changes in respect of any information and documents submitted earlier, with a view to expeditious processing of the application by the regulatory directorate or collectorate.

(4) The applicant shall nominate a readily accessible central point or contact person within the administration of the applicant, in order to make available to the regulatory directorate or collectorate all the information necessary for proving compliance with the requirements for issuing the AEO certificate.

(5) The application should be sent to the director or collector AEO having jurisdiction of the competent regulatory directorate or collectorate.

(6) All communication between AEO applicants and Customs shall be online through secure communication mediums including registered e-mail.

744. Eligibility conditions and criteria for grant of AEO status.-(1) Any economic operator applying for AEO status must fulfill the following criteria in order to qualify for an AEO authorization-

- have an appropriate record of compliance with customs requirements;
- have a satisfactory system of managing commercial and, where appropriate, transport records, which allows appropriate customs controls;
- demonstrate, where appropriate, proven financial solvency;

- (d) practical standards of competence or professional qualifications directly related to the activity carried out; and
- (e) maintenance of appropriate security and safety standards.
- (2) Eligibility to apply for AEO certificate-
- (a) any entity involved in the international supply chain that undertakes Customs related activity in Pakistan can apply for AEO status. Such entity may include exporters, importers, logistic providers such as carriers, airlines, freight forwarders, etc., custodians or terminal operators, Customs House Agents and Warehouse Owners, port operators, authorized couriers, stevedores etc. In case of importers and exporters, at the time of filing of AEO application, annual turnover of the business must be 2.5 million USD or above while applying for gold or platinum status;
- (b) businesses that are not involved in Customs related work or activities will not be entitled to apply. Thus banks, insurance companies, consultants and the like categories of businesses shall not be eligible for AEO status;
- (c) application for AEO status will only cover the legal entity of the applicant and shall not automatically apply to a group of companies;
- (d) there is no provision to grant AEO status to specific site, division or branch of legal entity of the applicant. The application must cover all the activities and locations of the legal entity involved in the international supply chain and the prescribed criteria will be applied across all those activities and locations;
- (e) in order to apply for AEO status, the office of the applicant must be established in Pakistan. For this purpose, the applicant should provide evidence which may include-
- (i) NTN and STRN certificates;
- (ii) a certificate of registration issued by the Registrar of Companies;
- (iii) details of places and locations where goods are being handled, e.g. loading, unloading, storage etc., in the course of supply to or from international supply chain; and
- (iv) proof that the business has its own accounts;
- (f) the applicant should have business activities for at least three financial years preceding the date of application. However, in exceptional cases, on the basis of physical verification of internal controls of a newly established business entity, the Director or Collector AEO may consider it for certification;
- (g) an AEO status shall apply only to the legal entity applying for such status in its own capacity and covering only its role in the international supply chain, and will not confer similar status on its business partners or clients who will need to apply separately for that status;
- (3) Legal Compliance-
- (a) an entity must have a clean tax profile which means that there should be no adjudged arrears during last three financial years involving serious violations of law including fraud, forgery, outright smuggling, illegal removal of goods, illegal claim of duty drawback or sales tax refunds, illegal availing of tax exemptions;
- (b) there should be no case wherein prosecution has been launched or is being contemplated against the applicant or its senior management;
- (c) if the quantum of disputed duty demanded or drawback demanded or sought to be denied, as adjudged under the Act other than those mentioned in clause (a) and (b) during the last three financial years, is less than ten percent of the total duty paid and drawback claimed during the same period, a review would be taken of the nature of cases and decision for eligibility may be taken by the Director or Collector AEO after taking into account all aspects and circumstances of the disputed cases.

Explanation: for clauses (a), (b) and (c) the cases where the proceedings have been dropped or decided in favour of the applicant by the adjudicating or appellate authorities shall not be considered;

- (d) where applicable, the applicant has satisfactory procedures in place for the handling of imports and exports connected to prohibitions and restrictions including measures to distinguish goods subject to the prohibitions or restrictions from other goods and measures to ensure compliance with those prohibitions and restrictions;
- (e) an applicant will also need to demonstrate that he has-
 - (i) procedures in place to identify and disclose any irregularities or errors to the Customs authorities or, where appropriate, other regulatory bodies; and
 - (ii) taken appropriate remedial action when irregularities or errors are identified;
- (f) once an error has been identified, the applicant is expected to take steps to ensure that they do not happen again or, at least, to ensure that they are immediately rectified if they do arise. Failure to take such steps could count against applicant;
- (g) in case of applicant being a sole proprietorship, the criteria laid down in clauses (a) to (f) shall be considered to be fulfilled if, over the last three years, the applicant and where applicable the person in charge of the applicant's customs matters have not committed any serious infringement or repeated infringements of customs legislation and taxation rules and have had no record of serious criminal offences relating to their economic activity;
- (h) in case of applicant not being a sole proprietorship, the criterion laid down in clauses (a) to (f) shall be considered to be fulfilled where, over the last three years, none of the following persons has committed a serious infringement of customs legislation and taxation rules or has had a record of serious criminal offences relating to his economic activity-
 - (i) the applicant;
 - (ii) the persons in charge of the applicant company or exercising control over its management; and
 - (iii) the person in charge of the applicant's customs matters:
Provided that the criterion referred to in sub-rules (a) to (f) may be considered to be fulfilled where the regulatory directorate or collectorate considers an infringement to be of minor importance, in relation to the number or size of the related operations, and the customs authority has no doubt as to the good faith of the applicant;
- (i) in case the applicant entity is established for less than three years as a result of a corporate re-organization, the customs authorities shall consider the customs activities performed by the pre-existing company provided that they are unchanged;
- (j) the applicant or the person in charge of the applicant's customs matters complies with one of the following practical standards of competence-
 - (i) a proven practical experience of a minimum of three years in customs matters; and
 - (ii) the applicant or the person in charge of the applicant's customs matters has successfully completed training covering customs legislation consistent with and relevant to the extent of his or her involvement in customs related activities, provided by any of the following, namely:-
 - (A) a customs training authority providing such qualification;

- (B) a national or foreign educational establishment recognized by the customs authorities, for the purposes of providing such qualification; and
- (C) a national or foreign professional or trade association recognized by the customs authorities for the purpose of providing such qualification;
- (k) it should be noted that the person in charge of the applicant's customs matters can be an employee of the applicant or a contracted person. The applicant has to prove that the contracted person is actually the one in charge of the applicant's customs matters;
- (l) in case of outsourced customs activities, it is sufficient that either the applicant, the applicant's employee in charge of customs matters or contracted person fulfils the criterion. If the applicant outsources its customs activities to more than one contracted person, the criterion must be fulfilled by all of them; and
- (m) it should be noted that when the applicant has an internal office or department involved in customs matters which allows the supervision and control on the customs formalities that have been outsourced, the criterion can be fulfilled by the applicant.

(4) **Managing commercial and (where appropriate) transport records.-**

- (a) the applicant must have a satisfactory system of managing commercial and, where appropriate, transport records. To enable the regulatory directorate or collectorate to establish that the applicant indeed has such a system, the applicant shall-
 - (i) maintain an accounting system consistent with Generally Accepted Accounting Principles (GAAP) or International Financial Reporting Standards (IFRS) which facilitates audit-based Customs control;
 - (ii) have an administrative set up which corresponds to the type and size of business and which is suitable for the management of the flow of goods and have internal controls capable of detecting illegal or irregular transactions;
 - (iii) wherever applicable, have satisfactory procedures in place for the handling of licenses and authorizations connected to export or import;
 - (iv) have satisfactory procedures in place for archiving of the company's records and information, and also for protection against the loss of information;
 - (v) ensure that employees are made aware of the need to inform the Customs authorities whenever compliance difficulties are discovered and establish suitable contacts to inform the Customs authorities of such occurrences;
 - (vi) have satisfactory procedures for verifying the accuracy of Customs declarations; and
 - (vii) have appropriate information technology security measures to protect the applicant's computer system from unauthorized intrusion and to secure the applicant's documentation;
- (b) allow the customs authority physical access to its accounting systems and where applicable, to its commercial and transport records; and
- (c) allow the customs authority electronic access to its accounting systems and where applicable to its commercial and transport records where those systems or records are kept electronically;
- (d) have satisfactory procedures in place for the archiving of its records and information and for protection against the loss of information; and

JAC

- (e) have appropriate security measures in place to protect the applicant's computer system from un-authorized intrusion and to secure the applicant's documentation.
- (5) Financial solvency-
- (a) financial solvency shall mean a good financial standing which is sufficient to fulfill the commitments of the applicant, with due regard to the characteristics of the type of business activity. Generally, consistent profitability of a business (importers or exporters), having annual turnover of 2.5 million USD or above, will be considered financially solvent, however, there may be exceptions in certain cases when sister companies operate and consistent profitability of one business provides financial support to the related business which might not be profitable directly, but it contributes to the profitability of the other related business. For instance, a marketing company and a manufacturing company can operate as sister concerns in such a way that the marketing company only incurs expenditure while promoting sales of the manufacturing company and the considerable or consistent profits made by the manufacturing company, then, render both sister-concern companies as financial solvent. Thus, in case of group of companies, over all model of operations and profitability needs to be observed while deciding the condition of financial solvency;
- (b) the applicant's financial solvency shall be deemed to have been met if his solvency can be proven for the last three years. If the applicant has been established for less than three years, his financial solvency shall be judged on the basis of records and information that are available;
- (c) evidence of financial solvency can be provided through any of the following, namely:-
- (i) a statement from the applicant's auditors or an audited report;
 - (ii) a copy of their finalised accounts if the accounts have not been audited;
 - (iii) evidence from a bank or financial institution;
 - (iv) a guarantee from a parent company regarding financial support;
 - (v) a list of any personal assets that are used to support the solvency of the business;
 - (vi) official records of insolvencies, liquidations and administrations;
 - (vii) the record for the payment of customs duties and all other duties, taxes or charges which are collected on or in connection with the importation or exportation of goods during the last three years;
 - (viii) the published financial statements and balance sheets of the applicant covering the last three years in order to analyse the applicant's ability to pay their legal debts;
 - (ix) draft accounts or management accounts, in particular any interim reports and the latest cash flow, balance sheet and profit and loss forecasts approved by the directors or partners or sole proprietor, in particular where the latest published financial statements do not provide the necessary evidence of the current financial position or the applicant has a newly established business;
 - (x) the applicant's business case where the applicant is financed by a loan from a financial institution and confirmation from that institution;
 - (xi) the conclusions of credit rating agencies or credit protection associations;
 - (xii) other evidence which the applicant may provide, for example a guarantee from a parent (or other group) company that demonstrates that the applicant is financially solvent; and

(xiii) higher annual turnovers with consistent net profits will be an important indication that a business is financially viable and solvent; and

(d) an applicant must be financially solvent during the three financial years preceding the date of application. The applicant should not be listed currently as insolvent, or in liquidation or bankruptcy. Further, the applicant should not have defaulted in payment of due Customs duties during the past three years. The applicants must submit an undertaking regarding its solvency and a Solvency Certificate issued by the Statutory Auditor of the applicant.

(6) Safety and security- The applicant must have in place appropriate internal controls and measures to ensure safety and security of applicant's business and supply chain, in addition to any specific legal requirements that may be applicable to the business. In order to satisfy the requirements of AEO status, the applicant shall need to ensure security of procedures, cargo, conveyances, premises, personnel and business partners. The applicant's security and safety standards shall be considered to be appropriate if the following conditions are fulfilled, namely:-

(a) Procedural Security-

(i) in order to ensure security of the international supply chain, the applicant must have in place appropriate internal controls and measures to ensure safety and security of procedures relating to applicant's business and his supply chain. With this view, following criteria should be fulfilled by the applicant;

(ii) the applicant must develop and maintain a security policy and procedure manual containing detailed guidelines on procedures to be followed to preserve the integrity of the cargo while in custody, during loading and unloading from transport conveyance and during transport. The manual should also stipulate how seals are to be controlled and affixed to cargo and transport conveyances;

(iii) security measures must be in place to ensure the integrity and security of processes relevant to the transportation, handling, and storage of cargo in the supply chain;

(iv) proper documentation of management procedure must be in place to ensure that all documentation used in the clearing of cargo is legible, complete, accurate and protected against the exchange, loss or introduction of erroneous information;

(v) procedure must be in place to ensure that information received from business partners is reported accurately and timely as well as declared in the time limit regulated by Customs; and

(vi) procedure must be in place to ensure that-

(A) import and export cargo are reconciled against the information on the bill of lading;

(B) the weights, labels, marks and piece count of the import or export cargo are accurately indicated;

(C) import and export cargo are verified against purchase or delivery orders;

(D) drivers delivering or receiving cargo are positively identified before cargo is received or released; and

(E) all shortages, overages, and other significant discrepancies or anomalies must be resolved or to be investigated appropriately;

(b) premises security, in order to ensure security of the international supply chain, the applicant must ensure that the buildings to be used in connection with the operations to be covered by the certificate are constructed of materials which resist unlawful entry and provide protection against unlawful intrusion. In addition, the applicant must ensure that appropriate access control measures are in place to

prevent unauthorized access to loading, unloading areas and cargo areas. The following criteria shall be fulfilled by the applicant, namely:-

- (i) buildings must be secure against unlawful entry;
 - (ii) all gates, fences and windows must be secured with locking devices or alternative access monitoring or control measures;
 - (iii) authorized personnel must control the issuance of locks and keys;
 - (iv) adequate internal and external lighting must be provided especially for entrances and exits, cargo handling and storage areas, fence lines and parking areas;
 - (v) gates through which vehicles or personnel enter or exit must be manned, monitored or otherwise controlled. Vehicles accessing restricted areas must be parked in approved area and their license plate numbers furnished to Customs upon request;
 - (vi) only properly identified and authorized persons, vehicles and goods may be permitted access;
 - (vii) access to document or cargo storage areas may be restricted;
 - (viii) there should be appropriate security systems for access control;
 - (ix) restricted areas should be clearly identified;
 - (x) integrity of structures and systems must be periodically inspected;
 - (xi) perimeter fencing should enclose the areas around cargo handling and storage facilities;
 - (xii) clear demarcation within a cargo handling structure should be created to segregate domestic, international, high value and hazardous cargo;
 - (xiii) the number of gates should be kept to the minimum necessary for proper access and safety;
 - (xiv) unauthorized vehicles should be prohibited from parking in or adjacent to cargo handling and storage areas;
 - (xv) a large manufacturer might have to have a perimeter wall or fence, security guards, and CCTV; and
 - (xvi) cameras etc. while for a customs agent operating from a single room in a building with locks on doors, windows and filing cabinets it may be sufficient to have a detailed procedure for access control including responsibilities;
- (c) Cargo security- in order to ensure security of the international supply chain, the applicant must have in place appropriate measures for the handling of goods which include protection against the introduction, exchange or loss of any material and tampering with cargo units. The following criteria shall be fulfilled by the applicant, namely:-
- (i) only properly identified and authorized persons should have access to the cargo;
 - (ii) integrity of cargo should be ensured by permanent monitoring or keeping in a safe, locked area;
 - (iii) all seals must meet the international standards for high security seals. for containerized cargo, only PAS or ISO 17712 seals shall be used, however in case of loose cargo, security seals compatible with international standards shall be used;
 - (iv) the integrity of container seals should be checked by the authorized person by following the procedure prescribed in the security policy manual;
 - (v) only authorized personnel should distribute container seals and safeguard their appropriate and legitimate use;
 - (vi) when appropriate to the type of cargo container used, a seven-point inspection process is recommended: front wall, left side, right side, floor, ceiling or roof, inside or outside doors, outside or undercarriage;

- (vii) appropriate procedures should be laid down on measures to be taken when an unauthorized access or tampering is discovered;
 - (viii) goods should be uniformly marked or stored in designated areas and procedures should exist to weigh and tally them and also to compare these against transport documents, purchase or sales orders and customs documents;
 - (ix) internal control procedures should exist when discrepancies or any irregularities are discovered;
 - (x) there must be designated areas for all stages. Goods shall not be left unsupervised outside of their designated areas; and
 - (xi) if the company uses container seals, they must be stored, handled and fixed appropriately. They shall be stored under lock and key, removal recorded, and fixed by two persons.
- (d) Conveyance security- In order to ensure security of the international supply chain, the applicant must ensure that the conveyances to be used in connection with the operations to be covered by the certificate are handled in a manner which ensures security of the cargo. With this view, the applicant shall-
- (i) ensure to the extent possible that all conveyances used for the transportation of cargo within the supply chain are capable of being effectively secured;
 - (ii) ensure to the extent possible that all operators of conveyances used for transport of cargo are trained to maintain the security of the conveyance and the cargo at all times while in its custody;
 - ~~(iii) require operators to report actual or suspicious incident to designated security department staff of the applicant company as well as to maintain records of these reports, which should be available to the regulatory directorate or collectorate;~~
 - (iv) ensure that potential places of concealment of illegal goods on conveyances are regularly inspected;
 - (v) ensure that transporters make sure that conveyance integrity is maintained while the conveyance is en-route transporting cargo to export and import points or import or transit containers by utilizing a tracking and monitoring activity log or records;
 - (vi) ensure that pre-determined routes are identified by the dispatcher, and procedures must consist of random route checks along with documenting and verifying the length of time between the loading point or trailer pickup and the delivery destinations;
 - (vii) ensure that drivers must notify the dispatcher of any route delays due to weather, traffic and re-routing; and
 - (viii) ensure that the management of transporters must perform a documented, periodic, and random verification process to ensure the logs are maintained and conveyance tracking and monitoring procedures are being followed and enforced;
- (e) Personnel security: In order to secure the international supply chain, the applicant must conduct, as far as possible, security screening of prospective employees to be employed in security sensitive positions, and carry out periodic background checks. With this view, following criteria should be fulfilled by the applicant, namely:-
- (i) all reasonable precautions must be taken when recruiting new staff to verify that they are not previously convicted of security-related, Customs or other criminal offences;
 - (ii) periodic background checks must be conducted on employees working in security sensitive positions;

- (iii) employee identification procedures should require all employees to carry proper identification that uniquely identifies the employee and organization;
 - (iv) procedures to identify, record and deal with unauthorized or unidentified persons, such as photo identification and sign-in registers for visitors etc. must be ensured at all points of entry; and
 - (v) procedures must be in place to expeditiously remove identification and access to premises and information for employees whose employment is terminated;
- (f) Business partner security: In order to secure the international supply chain, the applicant must have implemented measures to ensure a clear identification of his business partners. With this view, following criteria should be fulfilled by the applicant, namely:-
- (i) the applicant must have written and verifiable process, including the capability of financial soundness and compliance with the safety requirement set by the contracts as well as the capability of detection and correction of safety defects, for the selection of business partners;
 - (ii) for those business partners having AEO certification, the applicant must get those business partners' copies of certification;
 - (iii) for non-AEO partners, the applicant must get written confirmation of meeting AEO equivalent security criteria. Such business partners must have one of the following written documents demonstrating their compliance with security criteria, namely:-
 - (A) contractual document;
 - (B) a completed self-assessment security questionnaire from the applicant;
 - (C) a written statement from the business partner demonstrating their compliance with AEO security criteria provided under these rules;
 - (D) senior business partner officer attesting to compliance; and
 - (E) documents from the business partners demonstrating their compliance with and equivalent and accredited security program administered by a foreign Customs authority; and
 - (iv) periodic reviews of business partner's processes and facilities must be conducted based on risk, and must maintain the security standards required by the applicant; and
- (g) Security Training and Threat Awareness,-In order to secure the international supply chain, the applicant must ensure that its concerned employees actively participate in security awareness programmes. With this view, following criteria should be fulfilled by the applicant, namely:-
- (i) the applicant should ensure that-
 - (A) a threat awareness program is established and maintained for employees to foster awareness of the threat at each point in the supply chain;
 - (B) employees are aware of the procedures the company has in place to address a situation and how to report it; and
 - (C) specific training is offered to assist employees in maintaining cargo integrity, recognizing internal conspiracies and protecting access controls;
 - (ii) supply chain security training of employees must include the following items, namely:-
 - (A) security policy of the company;
 - (B) potential risk to internal security of the company;
 - (C) maintaining cargo security;

- (D) access control measures of the company;
 - (E) identifying and reporting suspicious cargo and personnel; and
 - (F) conveyance management and cargo security for conveyance management personnel;
- (iii) Records of security training must be maintained and made available for verification by the AEO Team and the Customs.
- (7) Risk based Management System-
- (a) a risk based management system shall be in place, which shall allow for-
 - (i) a continual cycle of identifying needs or requirements;
 - (ii) evaluating the best means for complying with the requirements;
 - (iii) implementing a managed process for applying the selected management actions;
 - (iv) monitoring the performance of the system; and
 - (v) maintaining evidence of the application of processes used to meet business objectives, and identify functional or business improvement opportunities, including reporting mechanisms on gaps, incidental mistakes and possible structural errors;
 - (b) above aspects shall be in place within the framework of complying with the legal and regulatory requirements to which the organization subscribes or is required to comply;
 - (c) risk and threat assessment should cover all risks relevant for AEO status, keeping in mind the role of the economic operator in the supply chain and shall include, namely:-
 - (i) security and safety threats to premises and goods;
 - (ii) fiscal threats;
 - (iii) reliability of information related to customs operations and logistics of goods;
 - (iv) visible audit trail and prevention and detection of fraud and errors; and
 - (v) contractual arrangements for business partners in the supply chain; and
 - (d) the risk and threat assessment for security and safety purposes should cover all the premises that are relevant to the economic operator's customs related activities.

745. Procedure for issuing AEO certificates.-(1) Each application shall be acknowledged and recorded in the WeBOC module.

(2) If application is incomplete or deficient, the applicant shall be suitably informed within thirty days of the receipt of application. In following cases, the application shall not be processed until the deficiencies are rectified, namely:-

- (i) when application is incomplete – it may be resubmitted with the complete information;
- (ii) where the application has not been made by a legal person – It can only be resubmitted by the concerned legal entity;
- (iii) where no responsible person is nominated as the Point of Contact – This can only be resubmitted when the applicant nominates a responsible person who will be the point of contact for the AEO Programme;
- (iv) where the applicant is subject to bankruptcy proceedings at the time the application is made - This may be resubmitted when the applicant becomes solvent; and
- (v) where a previously granted AEO status has been revoked – Application may not be resubmitted until the period as prescribed in sub-rule (6) (d) of rule 751 has elapsed after the date of revocation.

(3) Rejection of application-

- (i) where the applicant is not eligible for grant of AEO status; or
 - (ii) where the deficiency noticed in the application cannot be rectified.
 - (b) the information regarding the rejection of such application shall be given to the applicant by director or collector AEO within thirty days of the receipt of the complete application; and
 - (c) such applicant shall have right to file appeal to review the Customs Department's decision within thirty days from the date of receipt the decision. The Director General/Chief Collector AEO shall review and issue review order within forty-five days from the date of receiving the appeal. The review order shall be considered final.
- (4) Processing of application-
- (a) on receipt of the complete application and after ensuring that the applicant is eligible to apply, the information and documents submitted by the applicant shall be scrutinized to assess whether or not the eligibility conditions and criteria for granting the AEO certificate as mentioned under the rule 744 are met by the applicant;
 - (b) if necessary, further information and/or documents in support of the claim of the applicant may be called for by an officer not below the rank of Assistant Director/ Collector. Such request shall be sent in writing;
 - (c) all such requests for additional information and/or documents shall be sent in writing;
 - (d) the applicant shall submit such information and/or documents within a reasonable time;
 - (e) in case of an application for grant of Gold or Silver status, the information and/or documents submitted by the applicant shall be scrutinized, and if they are found eligible to the satisfaction of the Director/Collector AEO, the applicant shall be duly intimated within thirty days of submission of the information and/or documents. Thereafter, the successful application will be assigned to a specific AEO Team comprising of two appraising officers, two assistant or deputy directors and one additional director within fifteen days to carry out physical verification of the information and documents. The date for physical verification would be decided by the team in consultation with the applicant. AEO team will proceed in the following manner, namely:-
 - (i) the AEO Team of the Directorate/Collectorate will, within thirty days, visit the business premises for verification of the information and documents provided. Such visit shall be made on a convenient date after consulting the applicant;
 - (ii) if within forty five days of the date of intimation issued in terms of sub-rule (e), the applicant has not been contacted by the AEO Team for visit, then the applicant should contact the Additional Director/Collector AEO immediately;
 - (iii) during the course of such verification, the applicant, for Gold or Silver status, should be prepared to answer questions or provide additional information on all aspects of the application to the visiting AEO team;
 - (iv) evaluation of the criteria laid down under rule 744 shall be carried out for all the premises which are relevant to the customs related activities of the applicant for Gold or Silver, status. The evaluation as well as its results shall be documented by the AEO team;
 - (v) in case several premises of the applicant are run in a similar way by standard systems of record keeping and security etc. there will be no need for the AEO Team to visit all of them. However, if the business of the applicant covers a range of activities or different premises have

different methods of operating, then it may be necessary for more visits to be made;

- (vi) the duration of visit or verification would depend on the size of business, number of premises, how they operate etc. The AEO team will give the applicant for Gold or Silver status an estimate of time required, though this may have to be amended once the verification has commenced. The date(s) for physical verification would be decided by the team in consultation with the applicant. The evaluation by the Team will be carried out as per prescribed criteria provided under rule 744;
- (vii) during the course of physical visit/verification, the person who is nominated in the application form as point of contact must ordinarily be available unless unforeseeable situation arises. In addition, individuals responsible for specific business activities such as transport, record keeping and security should also be available;
- (viii) on completion of verification, the AEO Team will prepare their report and make a recommendation to the Director/Collector AEO within sixty days of completion of visits or verification. The contents of report and recommendation can be seen by applicant who shall get the opportunity to sign the same, but this shall not be a mandatory requirement; and
- (ix) within thirty days of such recommendation by the AEO Team, the applicant shall be suitably informed, including issue of the appropriate AEO certificate for Gold or Silver status, by the Director or Collector AEO;
- (f) where the application for grant of Gold or Silver status is not accepted by the Director or Collector AEO after verification by the AEO Team, the applicant will be intimated of the criteria that have not been met and the applicant will be given sufficient time to adapt procedures to rectify the deficiency. If applicant is unable to make required changes within the specified time limits, the Director AEO will issue a decision, in writing, to reject applicant's AEO application, explaining the reasons for such rejection;
- (g) in exceptional cases, the physical verification may be held in abeyance by consensus between the applicant for grant of Gold or Silver status and the Director or Collector AEO in order for the applicant to provide additional information or to permit minor problems to be addressed. The period of such suspension or stoppage of physical verification will normally not be longer than six months and applicant will be informed in writing of the date when the AEO verification will recommence and the revised date by which applicant can expect a decision on his application;
- (h) in case, an application for grant of platinum status is submitted by a holder of Gold status, who has been continuously enjoying the Gold status for a period of twelve months or more, the applicant shall be issued the Platinum certificate within thirty days of submission of the application. However, in case of any significant changes in the business or the processes since the previous physical verification by an AEO Team, the applicant may be subjected to physical verification as may be deemed necessary by the Director or Collector AEO by following the procedures under clauses (e), (f) and (g);
- (i) in case, an application for grant of Platinum status is submitted by a holder of Gold status, who has not been continuously enjoying the Gold status for a period of twelve months or more, but who satisfies the eligibility condition mentioned at sub-rule (c) (ii) of rule 742, the application will be assigned to a specific AEO Team within fifteen days to carry out physical verification of the information and documents submitted in Annexure-F only. The date for physical verification would be decided by the team in consultation with the

applicant. Thereafter, the procedures as mentioned in sub-rules (e), (f) and shall be followed:

Provided that in case of any significant changes in the business or the processes since the previous physical verification by an AEO Team, the applicant may be subjected to physical verification as may be deemed necessary by the Director AEO by following the procedures as mentioned in sub-rules (e), (f) and (g).

- (5) Time limit for processing an application-
- (a) The time limit for processing an application is one hundred and twenty days from the date the application is accepted. If the customs authority is unable to meet this deadline this period may be extended by further period of sixty days; and
 - (b) If issues of non-compliance with the qualifying criteria are discovered during the preliminary checks or during the physical inspection the applicant should be given an opportunity to address the issues. In these circumstances, the time period mentioned in sub-rule (4) may be extended indefinitely.

- (4) Suspension or downgrading of AEO status-
- (a) an AEO authorization may be suspended by the AEO Board in the following circumstances:-
- (i) where any non-compliance with the conditions or criteria for the Certificate of AEO status has been detected; or
 - (ii) where there is sufficient reason to believe that an act, which gives rise to criminal court proceedings and linked to an infringement of the customs rules, has been perpetrated by the AEO; and
 - (iii) in the case of a Custodian or Custom Agent or Warehouse Operator, where the basic license as a Custodian or Custom Broker or Warehouse Operator, as the case may be, has been suspended by the competent authority;
- (b) if any customs officer discovers any of the above, the competent AEO Directorate should be contacted immediately;
- (c) in the case of an AEO importer or an AEO exporter, if any amount has been adjudged due to infringement of duty and taxes, other than those covered under sub-rule (3)(a) of rule 744, the regulatory Director or Collector AEO may downgrade the status of an Platinum to Gold or suspend the status of the AEO, as deemed appropriate. The decision shall be taken after due diligence and on careful evaluation of the material evidence and arguments against the AEO of the case. The regulatory Director or Collector AEO may consult the jurisdictional field formations before arriving at the final decision in this regard;
- (d) depending on the circumstances the authorization may;
- (i) be suspended immediately;
 - (ii) the suspension may be postponed pending a court decision; and
 - (iii) the operator may be given 30 days to regularize or correct the situation. This period may be extended by another 30 days if the trader can provide evidence;
- (e) if the operator fails to take the necessary measures within the suspension period provided, the regulatory Director AEO will revoke the authorization and will communicate the same to the operator accordingly; and
- (f) where an AEO is temporarily unable to meet any of the criteria they may request suspension of their authorization. In such circumstances the trader must specify the reason for the non-compliance, the intended measures to regularize the situation and the time period required to regularize the situation. The time period may be extended if the AEO has acted in good faith. Such suspension shall be communicated to all customs authorities through the central Customs Computerized System database. If the situation is not regularized within the specified time or after a reasonable extension, the authorization will be revoked as provided in sub-rule (6).
- (5) Restoration of suspended or downgraded AEO Status-
- (a) where AEO status had been suspended on account of detection of any non-compliance with the conditions or criteria for the Certificate of AEO Status, and if the AEO holder takes the necessary remedial measures to the satisfaction of the Director/Collector AEO within 60 days of suspension, the AEO Board may restore the AEO status from notified date;
 - (b) where AEO status had been suspended on account of suspension of the basic license as a Custodian or Custom Agent or Warehouse Operator or as the case may be, and subsequently such suspension of the basic license is revoked by the competent authority, the Director or Collector AEO may consider restoration of AEO status, and if deemed appropriate may restore the AEO status from a date to be notified;

- (c) where AEO status had been suspended on account of issue of adjudged arrears, and if the ratio of disputed duty demanded or drawback demanded or sought to be denied under the Customs Act, 1969 during the last three years to the total duty paid and drawback claimed during the said period is not more than ten percent, the AEO Board may consider restoration of AEO status, and if deemed appropriate may restore the AEO status from a date to be notified; and
- (d) in case an AEO status has been downgraded, it shall be open to the entity to apply again for higher status as and when the eligibility conditions and criterion are met by it. AEO Board will consider such applications by following the procedure, which was adopted while granting the fresh AEO status.
- (6) Revocation of AEO Status-
- (a) in following circumstances, the Certificate of AEO Status shall be revoked, namely:-
- (i) where the Certificate of AEO Status is already suspended and the AEO holder fails to take the remedial measure within 60 days to have the suspension withdrawn; or
 - (ii) where there is a reasonable belief that an act has been perpetrated that is liable to lead to prosecution or is linked to an arrest of person under Customs Act, 1969 as mentioned in sub-rule (3)(b) of rule 744; or
 - (iii) an amount has been adjudged involving fraud, forgery, outright smuggling, clandestine removal of goods or cases where incidence of duty/taxes has been passed on to the customers but not deposited in to the Government treasury as mentioned in sub-rule (3)(a) of rule 744; or
 - (iv) where serious infringements related to customs rules have been committed by the AEO and there is no further right of appeal; or
 - (v) where the AEO status holder requests for the revocation of AEO certificate;
- (b) all cases for the revocation of AEO status will be placed before the AEO Board for decision;
- (c) prior to any decision to revoke authorization, the applicant will be issued a show cause notice. Revocation shall apply from the date of revocation as notified; and
- (d) in case the AEO status is revoked, AEO status holder will not be entitled to reapply for the AEO certificate for a period of one year from the date of revocation. However, such applicant shall have right to file appeal to review the decision of revocation within thirty days from the date of receipt the decision. The AEO Board shall review and issue review order within forty-five days from the date of receiving the appeal. The review order shall be considered final.

752. **Monitoring.**-AEO section shall issue a letter to the monitoring officer twelve months after the AEO status was granted and thereafter every twenty months requesting submission of the monitoring report.

(2) The monitoring shall include the following, namely:-

- (i) a walkthrough of the operator's premises to check that the safety and security procedures examined at evaluation stage are still in place and are being implemented;
- (ii) specific risks identified during the evaluation and included in the set of conditions should be checked periodically to ensure they are being adhered to;
- (iii) a random sample of the operator's Good Declarations (GDs) should be checked for quality and accuracy of data declared on a periodic basis,

- having regard to the size, type of business, the volume of GDs being submitted and the range of goods being handled;
- (iv) the operator's general tax compliance should be checked to ensure that there are no financial solvency issues;
 - (v) reports of any audits, assurance checks or aspect enquiries carried out on the operator should be checked for any issues that might affect the operators AEO status;
 - (vi) findings of monitoring actions undertaken should be submitted to Director AEO in the form of a report by the AEO Team;
 - (vii) intimation by the operator of any issues that may affect their AEO status should be investigated, followed by appropriate action; and
 - (viii) If the operator was established for less than three years at the time the initial evaluation was carried out, the monitoring should be more intensive during the first twelve months of the authorization.
