PART 1 – Bidding Procedure

Section I. Instructions to Bidders (ITB)

A. General	
1.Scope of Bid	1.1 In connection with the Request for Bids (RFB), specified in the Bid Data Sheet (BDS) , the Purchaser, as specified in the BDS , issues this bidding document for the supply of Goods and, if applicable, any Related Services incidental thereto, as specified in Section V, Schedule of Requirements. The name, identification and number of lots (contracts) of this RFB are specified in the BDS .
	1.2 Throughout this bidding document: (a) the term “in writing” means communicated in written form (e.g. by mail, e-mail, fax, including if specified in the BDS , distributed or received through electronic-procurement system used by the Purchaser) with proof of receipt; (b) if the context so requires, “singular” means “plural” and vice versa; (c) “Day” means calendar day, unless otherwise specified as a “Business Day” . A Business Day is any day that is a working day of the Borrower. It excludes the Borrower’s official public holidays.
2.Source of Funds	2.1 The Borrower or Recipient (hereinafter called “Borrower”) specified in the BDS has applied for or received financing (hereinafter called “funds”) from the Bank, as specified in the BDS , (hereinafter called “the Bank”) in an amount specified in the BDS , toward the project named in the BDS . The Borrower intends to apply a portion of the funds to eligible payments under the contract for which this bidding document is issued.
	2.2 Payment by the Bank will be made only at the request of the Borrower and upon approval by the Bank in accordance with the terms and conditions of the Loan (or other financing) Agreement. The Loan (or other financing) Agreement prohibits a withdrawal from the Loan account for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import is prohibited by decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations. No party other than the Borrower shall derive any rights from the Loan (or other financing) Agreement or have any claim to the proceeds of the Loan (or other financing).
3.Fraud and Corruption	3.1 The Bank requires compliance with the Bank’s Anti-Corruption Guidelines / Policy (as amended from time to time) and its prevailing sanctions policies and procedures as set forth in APPENDIX 1 under Section VI which may be updated from time to time.
	3.2 In further pursuance of this policy, Bidders shall permit and shall cause their agents (where declared or not), subcontractors, subconsultants, service providers, suppliers, and personnel, to permit the Bank to inspect all accounts, records and other documents relating to any initial selection process, prequalification process, bid submission, proposal submission, and contract

	performance (in the case of award), and to have them audited by auditors appointed by the Bank as appropriate.
4. Eligible Bidders	4.1 A Bidder may be a firm that is a private entity, a state-owned enterprise or institution subject to ITB 4.6, or any combination of such entities in the form of a joint venture (JV) under an existing agreement or with the intent to enter into such an agreement supported by a letter of intent. In the case of a joint venture, all members shall be jointly and severally liable for the execution of the entire Contract in accordance with the Contract terms. The JV shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the members of the JV during the Bidding process and, in the event the JV is awarded the Contract, during contract execution. Unless specified in the BDS, there is no limit on the number of members in a JV.
	4.2 A Bidder shall not have a conflict of interest. Any Bidder found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest for the purpose of this Bidding process, if the Bidder: (a) directly or indirectly controls, is controlled by or is under common control with another Bidder; or (b) receives or has received any direct or indirect subsidy from another Bidder; or (c) has the same legal representative as another Bidder; or (d) has a relationship with another Bidder, directly or through common third parties, that puts it in a position to influence the Bid of another Bidder, or influence the decisions of the Purchaser regarding this Bidding process; or (e) any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the works that are the subject of the Bid; or (f) any of its affiliates has been hired (or is proposed to be hired) by the Purchaser or Borrower for the Contract implementation; or (g) would be providing goods, works, or non-consulting services resulting from or directly related to consulting services for the preparation or implementation of the project specified in the BDS 2.1 that it provided or were provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm; or (h) has a close business or family relationship with a professional staff of the Borrower (or of the project implementing agency, or of a recipient of a part of the loan) who: (i) are directly or indirectly involved in the preparation of the bidding document or specifications of the Contract, and/or the Bid evaluation process of such Contract; or (ii) would be involved in the implementation or supervision of such Contract unless the conflict stemming from such relationship has been resolved in a manner acceptable to the Bank, throughout the Bidding process and execution of the Contract.
	4.3 A firm that is a Bidder (either individually or as a JV member) shall not participate in more than one Bid, except for permitted alternative Bids. This includes participation as a subcontractor. Such participation shall result in the

	disqualification of all Bids in which the firm is involved. A firm that is not a Bidder or a JV member, may participate as a subcontractor in more than one Bid.
	4.4 A Bidder may have the nationality of any country, subject to the restrictions pursuant to ITB 4.8 and ITB 49. A Bidder shall be deemed to have the nationality of a country if the Bidder is constituted, incorporated or registered in and operates in conformity with the provisions of the laws of that country, as evidenced by its articles of incorporation (or equivalent documents of constitution or association) and its registration documents, as the case may be. This criterion also shall apply to the determination of the nationality of proposed subcontractors or subconsultants for any part of the Contract including Related Services.
	4.5 A Bidder that has been sanctioned by the Bank, pursuant to the Bank's Anti-Corruption Guidelines, in accordance with its prevailing sanctions policies and procedures as set forth in APPENDIX 1 under Section VI, shall be ineligible to be prequalified for, initially selected for, bid for, propose for, or be awarded a Bank-financed contract or benefit from a Bank-financed contract, financially or otherwise, during such period of time as the Bank shall have determined. The list of debarred firms and individuals is available at the electronic address of the Bank specified in the BDS.
	4.6 Bidders that are state-owned enterprises or institutions in Pakistan may be eligible to compete and be awarded a Contract(s) only if they can establish, in a manner acceptable to the Bank, that they (i) are legally and financially autonomous (ii) operate under commercial law, and (iii) are not under supervision of the Purchaser.
	4.7 A Bidder shall not be under suspension from Bidding by the Purchaser as the result of the operation of a Bid-Securing Declaration or Proposal-Securing Declaration.
	4.8 Firms and individuals may be ineligible if so indicated under ITB 49, and (a) as a matter of law or official regulations, Pakistan prohibits commercial relations with that country, provided that the Bank is satisfied that such exclusion does not preclude effective competition for the supply of goods or the contracting of works or services required; or (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, Pakistan prohibits any import of goods or contracting of works or services from that country, or any payments to any country, person, or entity in that country.
	4.9 A Bidder shall provide such documentary evidence of eligibility satisfactory to the Purchaser, as the Purchaser shall reasonably request.
	4.10 A Bidder that is under a sanction of debarment by the Borrower from being awarded a contract is eligible to participate in this procurement, unless the Bank, at the Borrower's request, is satisfied that the debarment; (a) relates to fraud or corruption; and

	(b) followed a judicial or administrative proceeding that afforded the firm adequate due process.
5. Eligible Goods and Related Services	5.1 All the Goods and Related Services to be supplied under the Contract may have their origin in any country in accordance with ITB 49.
	5.2 For purposes of this ITB, the term “goods” includes commodities, raw material, machinery, equipment, and industrial plants; and “related services” including insurance, installation, training, and initial maintenance.
	5.3 The term “origin” means the country where the goods have been mined, grown, cultivated, produced, manufactured or processed; or, through manufacture, processing, or assembly, another commercially recognized article results that differs substantially in its basic characteristics from its components.
B. Contents of Bidding Document	
6. Sections of Bidding Document	6.1 The bidding document consist of Parts 1, 2, and 3, which include all the sections indicated below, and should be read in conjunction with any Addenda issued in accordance with ITB 8. PART 1 Bidding Procedures • Section I. Instructions to Bidders (ITB) • Section II. Bid Data Sheet (BDS) • Section III. Evaluation and Qualification Criteria (EQC) • Section IV. Bidding Forms (BDF) PART 2 Supply Requirements • Section V. Schedule of Requirements (SOR) PART 3 Conditions of Contract and Contract Forms • Section VI. General Conditions of Contract (GCC) • Section VII. Special Conditions of Contract (SCC) • Section VIII. Contract Forms (COF)
	6.2 The Request for Bids (RFB), issued by the Purchaser is not part of this bidding document.
	6.3 Unless obtained directly from the Purchaser, the Purchaser is not responsible for the completeness of the document, responses to requests for clarification, the Minutes of the pre-Bid meeting (if any), or Addenda to the bidding document in accordance with ITB 8. In case of any contradiction, documents obtained directly from the Purchaser shall prevail.
	6.4 The Bidder is expected to examine all instructions, forms, terms, and specifications in the bidding document and to furnish with its Bid all information or documentation as is required by the bidding document.

7. Clarification of Bidding Document	7.1 A Bidder requiring any clarification of the bidding document shall contact the Purchaser in writing at the Purchaser's address specified in the BDS . The Purchaser will respond in writing to any request for clarification, provided that such request is received prior to the deadline for submission of Bids within a period specified in the BDS . The Purchaser shall forward copies of its response to all Bidders who have acquired the bidding document in accordance with ITB 6.3, including a description of the inquiry but without identifying its source. If so specified in the BDS , the Purchaser shall also promptly publish its response at the web page identified in the BDS . Should the clarification result in changes to the essential elements of the bidding document, the Purchaser shall amend the bidding document following the procedure under ITB 8 and ITB 22.2.
8. Amendment of Bidding Document	8.1 At any time prior to the deadline for submission of Bids, the Purchaser may amend the bidding document by issuing addenda. 8.2 Any addendum issued shall be part of the bidding document and shall be communicated in writing to all who have obtained the bidding document from the Purchaser in accordance with ITB 6.3. The Purchaser shall also promptly publish the addendum on the Purchaser's web page in accordance with ITB 7.1. 8.3 To give prospective Bidders reasonable time in which to take an addendum into account in preparing their Bids, the Purchaser may, at its discretion, extend the deadline for the submission of Bids, pursuant to ITB 22.2.
C. Preparation of Bids	
9. Cost of Bidding	9.1 The Bidder shall bear all costs associated with the preparation and submission of its Bid, and the Purchaser shall not be responsible or liable for those costs, regardless of the conduct or outcome of the Bidding process.
10. Language of Bid	10.1 The Bid, as well as all correspondence and documents relating to the Bid exchanged by the Bidder and the Purchaser, shall be written in English. Supporting documents and printed literature that are part of the Bid may be in another language provided they are accompanied by an accurate translation of the relevant passages into English, in which case, for purposes of interpretation of the Bid, such translation shall govern.
11. Documents Comprising the Bid	11.1 The Bid shall comprise the following: a. Letter of Bid prepared in accordance with ITB 12; b. Price Schedules: completed in accordance with ITB 12 and ITB 14; c. Bid Security or Bid-Securing Declaration, in accordance with ITB 19.1; d. Alternative Bid: if permissible, in accordance with ITB 13; e. Authorization: written confirmation authorizing the signatory of the Bid to commit the Bidder, in accordance with ITB 20.3; f. Qualifications: documentary evidence in accordance with ITB 17 establishing the Bidder's qualifications to perform the Contract if its Bid is accepted;

	g. Bidder's Eligibility: documentary evidence in accordance with ITB 17 establishing the Bidder's eligibility to bid; h. Eligibility of Goods and Related Services: documentary evidence in accordance with ITB 16, establishing the eligibility of the Goods and Related Services to be supplied by the Bidder; i. Conformity: documentary evidence in accordance with ITB 16, that the Goods and Related Services conform to the bidding document; and j. any other document required in the BDS. 11.2 In addition to the requirements under ITB 11.1, Bids submitted by a JV shall include a copy of the Joint Venture Agreement entered into by all members. Alternatively, a letter of intent to execute a Joint Venture Agreement in the event of a successful Bid shall be signed by all members and submitted with the Bid, together with a copy of the proposed Agreement. 11.3 The Bidder shall furnish in the Letter of Bid information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Bid.
12.Letter of Bid and Price Schedules	12.1 The Letter of Bid and Price Schedules shall be prepared using the relevant forms furnished in Section IV, Bidding Forms. The forms must be completed without any alterations to the text, and no substitutes shall be accepted except as provided under ITB 20.3. All blank spaces shall be filled in with the information requested.
13 Alternative Bids	13.1 Unless otherwise specified in the BDS, alternative Bids shall not be considered.
14.Bid Prices and Discounts	14.1 The prices and discounts quoted by the Bidder in the Letter of Bid and in the Price Schedules shall conform to the requirements specified below. 14.2 All lots (contracts) and items must be listed and priced separately in the Price Schedules. 14.3 The price to be quoted in the Letter of Bid in accordance with ITB 12.1 shall be the total price of the Bid, excluding any discounts offered. 14.4 The Bidder shall quote any discounts and indicate the methodology for their application in the Letter of Bid, in accordance with ITB 12.1. 14.5 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the Contract and not subject to variation on any account, unless otherwise specified in the BDS. A Bid submitted with an adjustable price quotation shall be treated as nonresponsive and shall be rejected, pursuant to ITB 29.4. However, if in accordance with the BDS, prices quoted by the Bidder shall be subject to adjustment during the performance of the Contract, a Bid submitted with a fixed price quotation shall not be rejected, but the price adjustment shall be treated as zero.

	14.6 If so specified in ITB 1.1, Bids are being invited for individual lots (contracts) or for any combination of lots (packages). Unless otherwise specified in the BDS, prices quoted shall correspond to 100 % of the items specified for each lot and to 100% of the quantities specified for each item of a lot. Bidders wishing to offer discounts for the award of more than one contract shall specify in their Bid the price reductions applicable to each package, or alternatively, to individual contracts within the package. Discounts shall be submitted in accordance with ITB 14.4, provided the Bids for all lots (contracts) are opened at the same time. However, discounts that are conditional on the award of more than one lot, or any cross discount, will not be considered for bid evaluation purpose.
	14.7 The terms EXW, CIP, and other similar terms shall be governed by the rules prescribed in the current edition of Incoterms, published by the International Chamber of Commerce, as specified in the BDS.
	14.8 Prices shall be quoted as specified in each Price Schedule included in Section IV, Bidding Forms. The disaggregation of price components is required solely for the purpose of facilitating the comparison of Bids by the Purchaser. This shall not in any way limit the Purchaser's right to contract on any of the terms offered. In quoting prices, the Bidder shall be free to use transportation through carriers registered in any eligible country, in accordance with ITB 49. Similarly, the Bidder may obtain insurance services from any eligible country in accordance with ITB 49. Prices shall be entered in the following manner: a) For Goods manufactured in Pakistan: (i) the price of the Goods quoted EXW (ex-works, ex-factory, ex warehouse, ex showroom, or off-the-shelf, as applicable), including all customs duties and sales and other taxes already paid or payable on the components and raw material used in the manufacture or assembly of the Goods; (ii) any sales tax and other taxes which will be payable on the Goods in Pakistan if the Contract is awarded to the Bidder; and (iii) the price for inland transportation, insurance, and other local services required to convey the Goods to their final destination (Project Site) specified in the BDS. b) For Goods manufactured outside Pakistan, to be imported: (iv) the price of the Goods, quoted CIP named place of destination, in Pakistan, as specified in the BDS; (v) the price for inland transportation, insurance, and other local services required to convey the Goods from the named place of destination to their final destination (Project Site) specified in the BDS; c) For Goods manufactured outside Pakistan, already imported: (vi) the price of the Goods, including the original import value of the Goods; plus, any mark-up (or rebate); plus any other

	related local cost, and custom duties and other import taxes already paid or to be paid on the Goods already imported; (vii) the custom duties and other import taxes already paid (need to be supported with documentary evidence) or to be paid on the Goods already imported; (viii) the price of the Goods, obtained as the difference between (i) and (ii) above; (ix) any sales and other taxes which will be payable on the Goods in Pakistan if the Contract is awarded to the Bidder; and (x) the price for inland transportation, insurance, and other local services required to convey the Goods to their final destination (Project Site) specified in the BDS. d) for Related Services, other than inland transportation and other services required to convey the Goods to their final destination, whenever such Related Services are specified in the Schedule of Requirements, the price of each item comprising the Related Services (inclusive of any applicable taxes).
15.Currencies of Bid and Payment	15.1 The currency(ies) of the Bid and the currency(ies) of payments shall be the same. The Bidder shall quote in PKR the portion of the Bid price that corresponds to expenditures incurred in Pakistan, unless otherwise specified in the BDS.
	15.2 Subject to BDS the Bidder may express the Bid price in any currency. If the Bidder wishes to be paid in a combination of amounts in different currencies, it may quote its price accordingly but shall use no more than three foreign currencies in addition to PKR.
16.Documents Establishing the Eligibility and Conformity of the Goods and Related Services;	16.1 To establish the eligibility of the Goods and Related Services in accordance with ITB 5, Bidders shall complete the country of origin declarations in the Price Schedule Forms, included in Section IV, Bidding Forms.
	16.2 To establish the conformity of the Goods and Related Services to the bidding document, the Bidder shall furnish as part of its Bid the documentary evidence that the Goods conform to the technical specifications and standards specified in Section V, Schedule of Requirements.
	16.3 The documentary evidence may be in the form of literature, drawings or data, and shall consist of a detailed item by item description of the essential technical and performance characteristics of the Goods and Related Services, demonstrating substantial responsiveness of the Goods and Related Services to the technical specification, and if applicable, a statement of deviations and exceptions to the provisions of the Section V, Schedule of Requirements.
	16.4 The Bidder shall also furnish a list giving full particulars, including available sources and current prices of spare parts, special tools, etc., necessary for the proper and continuing functioning of the Goods during the period

	specified in the BDS following commencement of the use of the goods by the Purchaser. 16.5 Standards for workmanship, process, material, and equipment, as well as references to brand names or catalogue numbers specified by the Purchaser in the Schedule of Requirements, are intended to be descriptive only and not restrictive. The Bidder may offer other standards of quality, brand names, and/or catalogue numbers, provided that it demonstrates, to the Purchaser's satisfaction, that the substitutions ensure substantial equivalence or are superior to those specified in the Section V, Schedule of Requirements.
17 Documents Establishing the Eligibility and Qualifications of the Bidder	17.1 To establish Bidder's eligibility in accordance with ITB 4, Bidders shall complete the Letter of Bid, included in Section IV, Bidding Forms. 17.2 The documentary evidence of the Bidder's qualifications to perform the Contract if its Bid is accepted shall establish to the Purchaser's satisfaction: (a) that, if required in the BDS, a Bidder that does not manufacture or produce the Goods it offers to supply shall submit the Manufacturer's Authorization using the form included in Section IV, Bidding Forms to demonstrate that it has been duly authorized by the manufacturer or producer of the Goods to supply these Goods in Pakistan; (b) that, if required in the BDS, in case of a Bidder not doing business within Pakistan, the Bidder is or will be (if awarded the Contract) represented by an Agent in Pakistan equipped and able to carry out the Supplier's maintenance, repair and spare parts-stocking obligations prescribed in the Conditions of Contract and/or Technical Specifications; and (c) that the Bidder meets each of the qualification criterion specified in Section III, Evaluation and Qualification Criteria.
18.Period of Validity of Bids	18.1 Bids shall remain valid until the date specified in the BDS or any extended date if amended by the Purchaser in accordance with ITB 8. A Bid that is not valid until the date specified in the BDS, or any extended date if amended by the Purchaser in accordance with ITB 8, shall be rejected by the Purchaser as nonresponsive. 18.2 In exceptional circumstances, prior to the expiry of the Bid validity, the Purchaser may request Bidders to extend the period of validity of their Bids. The request and the responses shall be made in writing. If a Bid Security is requested in accordance with ITB 19, it shall also be extended for twenty-eight (28) days beyond the extended date for Bid validity. A Bidder may refuse the request without forfeiting its Bid Security. A Bidder granting the request shall not be required or permitted to modify its Bid, except as provided in ITB 18.3. 18.3 If the award is delayed by a period exceeding fifty-six (56) days beyond the expiry of the Bid validity specified in accordance with ITB 18.1, the Contract price shall be determined as follows:

	(a) in the case of fixed price contracts, the Contract price shall be the Bid price adjusted by the factor specified in the BDS; (b) in the case of adjustable price contracts, no adjustment shall be made; or (c) in any case, Bid evaluation shall be based on the Bid price without taking into consideration the applicable correction from those indicated above
19. Bid Security / Bid-Securing Declaration	19.1 The Bidder shall furnish as part of its Bid, either a Bid-Securing Declaration or a Bid Security, as specified in the BDS, in original form and, in the case of a Bid Security, in the amount and currency specified in the BDS.
	19.2 A Bid Securing Declaration shall use the form included in Section IV, Bidding Forms.
	19.3 If a Bid Security is specified pursuant to ITB 19.1, the Bid Security shall be a demand guarantee in any of the following forms at the Bidder's option: a) an unconditional guarantee issued by a bank; b) an unconditional guarantee issued by a non-bank financial institution (such as an insurance company of AA rating); c) an irrevocable letter of credit; d) a cashier's or certified check; or e) another security specified in the BDS, from a reputable source, and an eligible country. If the unconditional guarantee is issued by a financial institution located outside Pakistan, it shall be counter-guaranteed by a correspondent financial institution located in Pakistan, for being encashable in Pakistan. In the case of a bank guarantee, the Bid Security shall be submitted either using the Bid Security Form included in Section IV, Bidding Forms, or in another substantially similar format approved by the Purchaser prior to Bid submission. The Bid Security shall be valid for twenty-eight (28) days beyond the original date of expiry of the Bid validity, or beyond any extended date if requested under ITB 18.2.
	19.4 If a Bid Security is specified pursuant to ITB 19.1, any Bid not accompanied by a substantially responsive Bid Security shall be rejected by the Purchaser as non-responsive.
	19.5 If a Bid Security is specified pursuant to ITB 19.1, the Bid Security of unsuccessful Bidders shall be returned as promptly as possible upon the successful Bidder's signing the Contract and furnishing the Performance Security pursuant to ITB 46.
	19.6 The Bid Security of the successful Bidder shall be returned as promptly as possible once the successful Bidder has signed the Contract and furnished the required Performance Security.
	19.7 The Bid Security may be forfeited or the Bid-Securing Declaration executed:

	a) if a Bidder withdraws its Bid prior to the expiry date of Bid validity specified by the Bidder on the Letter of Bid or any extended date provided by the Bidder; or b) if the successful Bidder fails to: i. sign the Contract in accordance with ITB 45; or ii. furnish a Performance Security in accordance with ITB 46.
	19.8 The Bid Security or Bid- Securing Declaration of a JV must be in the name of the JV that submits the Bid. If the JV has not been legally constituted into a legally enforceable JV at the time of Bidding, the Bid Security or Bid-Securing Declaration shall be in the names of all future members as named in the letter of intent referred to in ITB 4.1 and ITB 11.2
	19.9 If a Bid Security is not required in the BDS, pursuant to ITB 19.1, and (a) if a Bidder withdraws its Bid during the period of Bid validity specified by the Bidder on the Letter of Bid, or any extended date provided by the Bidder; or (b) if the successful Bidder fails to: sign the Contract in accordance with ITB 45; or furnish a performance security in accordance with ITB 46; the Borrower may, if provided for in the BDS, declare the Bidder ineligible to be awarded a contract by the Purchaser for a period of time as stated in the BDS.
20.Format and Signing of Bid	20.1 The Bidder shall prepare one original of the documents comprising the Bid as described in ITB 11 and clearly mark it “ORIGINAL”. Alternative Bids, if permitted in accordance with ITB 13, shall be clearly marked “ALTERNATIVE”. In addition, the Bidder shall submit copies of the Bid, in the number specified in the BDS and clearly mark them “COPY”. In the event of any discrepancy between the original and the copies, the original shall prevail. 20.2 Bidders shall mark as “CONFIDENTIAL” information in their Bids which is confidential to their business. This may include proprietary information, trade secrets, or commercial or financially sensitive information. 20.3 The original and all copies of the Bid shall be typed or written in indelible ink and shall be signed by a person duly authorized to sign on behalf of the Bidder. This authorization shall consist of a written confirmation as specified in the BDS and shall be attached to the Bid. The name and position held by each person signing the authorization must be typed or printed below the signature. All pages of the Bid where entries or amendments have been made shall be signed or initialed by the person signing the Bid. 20.4 In case the Bidder is a JV, the Bid shall be signed by an authorized representative of the JV on behalf of the JV, and so as to be legally binding on all the members as evidenced by a power of attorney signed by their legally authorized representatives that shall be attached to the Bid.

	20.5 Any inter-lineation, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Bid.
D. Submission and Opening of Bids	
21. Sealing and Marking of Bids	21.1 The Bidder shall deliver the Bid in a single, sealed envelope (one-envelope Bidding process). Within the single envelope the Bidder shall place the following separate, sealed envelopes: (a) in an envelope marked “ORIGINAL BID”, all documents comprising the Bid, as described in ITB 11; and (b) in an envelope marked “BID COPIES”, all required copies of the Bid; and, (c) if alternative Bids are permitted in accordance with ITB 13, and if relevant: i. in an envelope marked “ALTERNATIVE BID – ORIGINAL”, the alternative Bid; and ii. in the envelope marked “ALTERNATIVE BID – COPIES” all required copies of the alternative Bid. 21.2 The inner and outer envelopes, shall: (a) bear the name and address of the Bidder; (b) be addressed to the Purchaser in accordance with ITB 22.1; (c) bear the specific identification of this Bidding process indicated in ITB 1.1; and (d) bear a warning not to open before the time and date for Bid opening. 21.3 If all envelopes are not sealed and marked as required, the Purchaser will assume no responsibility for the misplacement or premature opening of the Bid.
22. Deadline for Submission of Bids	22.1 Bids must be received by the Purchaser at the address and no later than the date and time specified in the BDS. When so specified in the BDS, Bidders shall have the option of submitting their Bids electronically. Bidders submitting Bids electronically shall follow the electronic Bid submission procedures specified in the BDS. 22.2 The Purchaser may, at its discretion, extend the deadline for the submission of Bids by amending the bidding document in accordance with ITB 8, in which case all rights and obligations of the Purchaser and Bidders previously subject to the deadline shall thereafter be subject to the deadline as extended.
23. Late Bids	23.1 The Purchaser shall not consider any Bid that arrives after the deadline for submission of Bids, in accordance with ITB 22. Any Bid received by the Purchaser after the deadline for submission of Bids shall be declared late, rejected, and returned unopened to the Bidder.
24. Withdrawal, Substitution, and	24.1 A Bidder may withdraw, substitute, or modify its Bid after it has been submitted by sending a written notice, duly signed by an authorized representative, and shall include a copy of the authorization (the power of

Modification of Bids	attorney) in accordance with ITB 20.3, (except that withdrawal notices do not require copies). The corresponding substitution or modification of the Bid must accompany the respective written notice. All notices must be: (a) prepared and submitted in accordance with ITB 20 and 21 (except that withdrawal notices do not require copies), and in addition, the respective envelopes shall be clearly marked “WITHDRAWAL”, “SUBSTITUTION”, “MODIFICATION”; and (b) received by the Purchaser prior to the deadline prescribed for submission of Bids, in accordance with ITB 22.
	24.2 Bids requested to be withdrawn in accordance with ITB 24.1 shall be returned unopened to the Bidders.
	24.3 No Bid may be withdrawn, substituted, or modified in the interval between the deadline for submission of Bids and the expiration of the period of Bid validity specified by the Bidder on the Letter of Bid or any extension thereof.
25.Bid Opening	25.1 Except as in the cases specified in ITB 23 and ITB 24.2, the Purchaser shall, at the Bid opening, publicly open and read out all Bids received by the deadline at the date, time and place specified in the BDS in the presence of Bidders’ designated representatives and anyone who chooses to attend Any specific electronic Bid opening procedures required if electronic bidding is permitted in accordance with ITB 22.1, shall be as specified in the BDS .
	25.2 First, the written notice of withdrawal in the envelopes marked “WITHDRAWAL” shall be opened and read out and the envelope with the corresponding Bid shall not be opened, but returned to the Bidder. No Bid withdrawal shall be permitted unless the corresponding withdrawal notice contains a valid authorization to request the withdrawal and is read out at Bid opening.
	25.3 Next, envelopes marked “SUBSTITUTION” shall be opened and read out and exchanged with the corresponding Bid being substituted, and the substituted Bid shall not be opened, but returned to the Bidder. No Bid substitution shall be permitted unless the corresponding substitution notice contains a valid authorization to request the substitution and is read out at Bid opening.
	25.4 Next, envelopes marked “MODIFICATION” shall be opened and read out with the corresponding Bid. No Bid modification shall be permitted unless the corresponding modification notice contains a valid authorization to request the modification and is read out at Bid opening.
	25.5 Next, all remaining envelopes shall be opened one at a time, reading out: the name of the Bidder and whether there is a modification; the total Bid Prices, per lot (contract) if applicable, including any discounts and alternative Bids; the presence or absence of a Bid Security, if required; and any other details as the Purchaser may consider appropriate.
	25.6 Only Bids, alternative Bids and discounts that are opened and read out at Bid opening shall be considered further in the evaluation. The Letter of Bid and

	the Price Schedules are to be initialed by representatives of the Purchaser attending Bid opening in the manner specified in the BDS .
	25.7 At the Bid opening the Purchaser shall neither discuss the merits of any Bid nor reject any Bid (except for late Bids, in accordance with ITB 23.1).
	25.8 Following the opening of the Bids, the Purchaser shall prepare a record of the Bid opening that shall include, as a minimum: (a) the name of the Bidder and whether there is a withdrawal, substitution, or modification; (b) the Bid Price, per lot (contract) if applicable, including any discounts; (c) if applicable, any alternative Bids; and (d) the presence or absence of a Bid Security or Bid-Securing Declaration if one was required.
	25.9 The Bidders' representatives who are present shall be requested to sign the record. The omission of a Bidder's signature on the record shall not invalidate the contents and effect of the record. A copy of the record shall be distributed to all Bidders.
E. Evaluation and Comparison of Bids	
26. Confidentiality	26.1 Information relating to the evaluation of Bids and recommendation of contract award, shall not be disclosed to Bidders or any other persons not officially concerned with the Bidding process until the information on Intention to Award the Contract is transmitted to all Bidders in accordance with ITB 40.
	26.2 Any effort by a Bidder to influence the Purchaser in the evaluation or contract award decisions may result in the rejection of its Bid.
	26.3 Notwithstanding ITB 26.2, from the time of Bid opening to the time of Contract Award, if any Bidder wishes to contact the Purchaser on any matter related to the Bidding process, it should do so in writing.
27. Clarification of Bids	27.1 To assist in the examination, evaluation, comparison of the Bids, and qualification of the Bidders, the Purchaser may, at its discretion, ask any Bidder for a clarification of its Bid given a reasonable time for a response. Any clarification submitted by a Bidder in respect to its Bid and that is not in response to a request by the Purchaser shall not be considered. The Purchaser's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Purchaser in the Evaluation of the Bids, in accordance with ITB 31.
	27.2 If a Bidder does not provide clarifications of its Bid by the date and time set in the Purchaser's request for clarification, its Bid may be rejected.

28.Deviations, Reservations, and Omissions	28.1 During the evaluation of Bids, the following definitions apply: (a) “Deviation” is a departure from the requirements specified in the bidding document; (b) “Reservation” is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and (c) “Omission” is the failure to submit part or all of the information or documentation required in the bidding document.
29.Determination of Responsiveness	29.1 The Purchaser’s determination of a Bid’s responsiveness is to be based on the contents of the Bid itself, as defined in ITB 11. 29.2 A substantially responsive Bid is one that meets the requirements of the bidding document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that: (a) if accepted, would: (i) affect in any substantial way the scope, quality, or performance of the Goods and Related Services specified in the Contract; or (ii) limit in any substantial way, inconsistent with the bidding document, the Purchaser’s rights or the Bidder’s obligations under the proposed Contract; or (b) if rectified, would unfairly affect the competitive position of other Bidders presenting substantially responsive Bids. 29.3 The Purchaser shall examine the technical aspects of the Bid submitted in accordance with ITB 16 and ITB 17, in particular, to confirm that all requirements of Section V, Schedule of Requirements have been met without any material deviation or reservation, or omission. 29.4 If a Bid is not substantially responsive to the requirements of bidding document, it shall be rejected by the Purchaser and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.
30.Nonconformities, Errors and Omissions	30.1 Provided that a Bid is substantially responsive, the Purchaser may waive any nonconformities in the Bid. 30.2 Provided that a Bid is substantially responsive, the Purchaser may request that the Bidder submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Bid related to documentation requirements. Such omission shall not be related to any aspect of the price of the Bid. Failure of the Bidder to comply with the request may result in the rejection of its Bid. 30.3 Provided that a Bid is substantially responsive, the Purchaser shall rectify quantifiable nonmaterial nonconformities related to the Bid Price. To this effect, the Bid Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component, by adding the average price of the item or component quoted by substantially responsive Bidders. If the price

	of the item or component cannot be derived from the price of other substantially responsive Bids, the Purchaser shall use its best estimate.
31. Correction of Arithmetical Errors	31.1 Provided that the Bid is substantially responsive, the Purchaser shall correct arithmetical errors on the following basis: a) if there is a discrepancy between the unit price and the line item total that is obtained by multiplying the unit price by the quantity, the unit price shall prevail and the line item total shall be corrected, unless in the opinion of the Purchaser there is an obvious misplacement of the decimal point in the unit price, in which case the line item total as quoted shall govern and the unit price shall be corrected; b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (a) and (b) above.
	31.2 Bidders shall be requested to accept correction of arithmetical errors. Failure to accept the correction in accordance with ITB 31.1, shall result in the rejection of the Bid.
32. Conversion to Single Currency	32.1 For evaluation and comparison purposes, the currency(ies) of the Bid shall be converted in a single currency as specified in the BDS .
33. Margin of Preference	33.1 Unless otherwise specified in the BDS , a margin of preference shall not apply.
34. Evaluation of Bids	34.1 The Purchaser shall use the criteria and methodologies listed in this ITB and Section III, Evaluation and Qualification criteria. No other evaluation criteria or methodologies shall be permitted. By applying the criteria and methodologies, the Purchaser shall determine the Most Advantageous Bid. This is the Bid of the Bidder that meets the qualification criteria and whose Bid has been determined to be: a) substantially responsive to the bidding document; and b) the lowest evaluated price.
	34.2 To evaluate a Bid, the Purchaser shall consider the following: a) evaluation will be done for Items or Lots (contracts), as specified in the BDS; and the Bid Price as quoted in accordance with ITB 14; b) price adjustment for correction of arithmetic errors in accordance with ITB 31.1; c) price adjustment due to discounts offered in accordance with ITB 14.4, subject to ITB 14.6;

	d) converting the amount resulting from applying (a) to (c) above, if relevant, to a single currency in accordance with ITB 32; e) price adjustment due to quantifiable nonmaterial nonconformities in accordance with ITB 30.3; and f) the additional evaluation factors are specified in Section III, Evaluation and Qualification Criteria. 34.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in Bid evaluation. 34.4 If this bidding document allows Bidders to quote separate prices for different lots (contracts), the methodology to determine the lowest evaluated cost of the lot (contract) combinations, including any discounts offered in the Letter of Bid, is specified in Section III, Evaluation and Qualification Criteria. 34.5 The Purchaser's evaluation of a Bid will exclude and not take into account: a) in the case of Goods manufactured in the Pakistan, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the Bidder; b) in the case of Goods manufactured outside Pakistan, already imported or to be imported, customs duties and other import taxes levied on the imported Good, sales and other similar taxes, which will be payable on the Goods if the contract is awarded to the Bidder; c) any allowance for price adjustment during the period of execution of the contract, if provided in the Bid. 34.6 The Purchaser's evaluation of a Bid may require the consideration of other factors, in addition to the Bid Price quoted in accordance with ITB 14. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of Bids, unless otherwise specified in the BDS from amongst those set out in Section III, Evaluation and Qualification Criteria. The criteria and methodologies to be used shall be as specified in ITB 34.2(f).
35.Comparison of Bids	35.1 The Purchaser shall compare the evaluated costs of all substantially responsive Bids established in accordance with ITB 34.2 to determine the Bid that has the lowest evaluated cost. The comparison shall be on the basis of CIP (place of final destination) prices for imported goods and EXW prices, plus cost of inland transportation and insurance to place of destination, for goods manufactured within Pakistan, together with prices for any required installation, training, commissioning and other services. The evaluation of prices shall not take into account custom duties and other taxes levied on imported goods quoted CIP and sales and similar taxes levied in connection with the sale or delivery of goods.

36.Abnormally Low Bids	36.1 An Abnormally Low Bid is one where the Bid price, in combination with other constituent elements of the Bid, appears unreasonably low to the extent that the Bid price raises material concerns with the Purchaser as to the capability of the Bidder to perform the Contract for the offered Bid price.
	36.2 In the event of identification of a potentially Abnormally Low Bid, the Purchaser shall seek written clarification from the Bidder, including a detailed price analyses of its Bid price in relation to the subject matter of the contract, scope, delivery schedule, allocation of risks and responsibilities and any other requirements of the bidding document.
	36.3 After evaluation of the price analyses, in the event that the Purchaser determines that the Bidder has failed to demonstrate its capability to perform the contract for the offered Bid price, the Purchaser shall reject the Bid.
37.Qualification of the Bidder	37.1 The Purchaser shall determine, to its satisfaction, whether the eligible Bidder that is selected as having submitted the lowest evaluated cost and substantially responsive Bid, meets the qualifying criteria specified under Sub-Section 3 in Section III, Evaluation and Qualification Criteria.
	37.2 The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB 17. The determination shall not take into consideration the qualifications of other firms such as the Bidder's subsidiaries, parent entities, affiliates, subcontractors (other than Specialized Subcontractors if permitted in the bidding document), or any other firm(s) different from the Bidder.
	37.3 Prior to Contract award, the Purchaser will verify that the successful Bidder (including each member of a JV) is not disqualified by the Bank due to noncompliance with contractual SEA/SH prevention and response obligations. The Purchaser will conduct the same verification for each subcontractor proposed by the successful Bidder. If any proposed subcontractor does not meet the requirement, the Purchaser will require the Bidder to propose a replacement subcontractor.
	37.4 An affirmative determination shall be a prerequisite for award of the Contract to the Bidder. A negative determination shall result in disqualification of the Bid, in which event the Purchaser shall proceed to the Bidder who offers a substantially responsive Bid with the next lowest evaluated cost to make a similar determination of that Bidder's qualifications to perform satisfactorily.
38.Purchaser's Right to Accept Any Bid, and to Reject Any or All Bids	38.1 The Purchaser reserves the right to accept or reject any Bid, and to annul the Bidding process and reject all Bids at any time prior to Contract Award, without thereby incurring any liability to Bidders. In case of annulment, all Bids submitted and specifically, bid securities, shall be promptly returned to the Bidders.
39.Standstill Period	39.1 The Contract shall not be awarded earlier than the expiry of the Standstill Period. The Standstill Period shall be the number of days, as specified in the BDS , unless extended under the applicable regulation, as specified in the BDS .

	The Standstill Period commences the day after the date the Purchaser has transmitted to each Bidder the Notification of Intention to Award the Contract. Where only one Bid is submitted, or if this contract is in response to an emergency situation recognized by the World Bank, the Standstill Period shall not apply.
40.Notification of Intention to Award	40.1 The Purchaser shall send to each Bidder the Notification of Intention to Award the Contract to the successful Bidder. The Notification of Intention to Award shall contain, at a minimum, the following information: (a) the name and address of the Bidder submitting the successful Bid; (b) the Contract price of the successful Bid; (c) the names of all Bidders who submitted Bids, and their Bid prices as readout, and as evaluated; (d) a statement of the reason(s) the Bid (of the unsuccessful Bidder to whom the notification is addressed) was unsuccessful, unless the price information in (c) above already reveals the reason; (e) the expiry date of the Standstill Period; (f) instructions on how to request a debriefing and/or submit a complaint during the standstill period.
F. Award of Contract	
41.Award Criteria	41.1 Subject to ITB 38, the Purchaser shall award the Contract to the Bidder offering the Most Advantageous Bid. The Most Advantageous Bid is the Bid of the Bidder that meets the Qualification Criteria and whose Bid has been determined to be: (a) substantially responsive to the bidding document; and (b) having the lowest evaluated price.
42.Purchaser's Right to Vary Quantities at Time of Award	42.1 At the time the Contract is awarded, the Purchaser reserves the right to increase or decrease the quantity of Goods and Related Services originally specified in Section V, Schedule of Requirements, provided this does not exceed the percentages specified in the BDS, and without any change in the unit prices or other terms and conditions of the Bid and the bidding document.
43.Notification of Award	43.1 Prior to the date of expiry of the Bid validity and upon expiry of the Standstill Period, specified in ITB 39.1 or any extension thereof, and upon satisfactorily addressing any complaint that has been filed within the Standstill Period (as specified in the BDS ITB 39.1), the Purchaser shall notify the successful Bidder, in writing, that its Bid has been accepted. The notification of award (hereinafter and in the 'Contract Forms' called the "Letter of Acceptance") shall specify the sum that the Purchaser will pay the Supplier in consideration of the execution of the Contract (hereinafter and in the Conditions of Contract and Contract Forms called "the Contract Price").
	43.2 Within ten (10) Business Days after the date of transmission of the Letter of Acceptance, the Purchaser shall publish the Contract Award Notice which shall contain, at a minimum, the following information: (a) name and address of the Purchaser;

	(b) name and reference number of the contract being awarded, and the selection method used; (c) names of all Bidders that submitted Bids, and their Bid prices as read out at Bid opening, and as evaluated; (d) names of all Bidders whose Bids were rejected either as nonresponsive or as not meeting Qualification Criteria, or were not evaluated, with the reasons therefor; (e) the name of the successful Bidder, the final total contract price, the contract duration and a summary of its scope; and (f) successful Bidder's Beneficial Ownership Disclosure Form, if specified in BDS ITB 45.1. 43.3 The Contract Award Notice shall be published on the Purchaser's website with free access if available, or in at least one newspaper of national circulation in Pakistan, or in the official gazette. The Purchaser shall also publish the contract award notice in UNDB online. 43.4 Until a formal Contract is prepared and executed, the Letter of Acceptance shall constitute a binding Contract.
44. Debriefing by the Purchaser	44.1 On receipt of the Purchaser's Notification of Intention to Award referred to in ITB 40.1, an unsuccessful Bidder has three (3) Business Days to make a written request to the Purchaser for a debriefing. The Purchaser shall provide a debriefing to all unsuccessful Bidders whose request is received within this deadline. 44.2 Where a request for debriefing is received within the deadline, the Purchaser shall provide a debriefing within five (5) Business Days, unless the Purchaser decides, for justifiable reasons, to provide the debriefing outside this timeframe. In that case, the standstill period shall automatically be extended until five (5) Business Days after such debriefing is provided. If more than one debriefing is so delayed, the standstill period shall not end earlier than five (5) Business Days after the last debriefing takes place. The Purchaser shall promptly inform, by the quickest means available, all Bidders of the extended standstill period. 44.3 Where a request for debriefing is received by the Purchaser later than the three (3)-Business Day deadline, the Purchaser should provide the debriefing as soon as practicable, and normally no later than fifteen (15) Business Days from the date of publication of Public Notice of Award of contract. Requests for debriefing received outside the three (3)-day deadline shall not lead to extension of the standstill period. 44.4 Debriefings of unsuccessful Bidders may be done in writing or verbally. The Bidders shall bear their own costs of attending such a debriefing meeting.
45. Signing of Contract	45.1 The Purchaser shall send to the successful Bidder the Letter of Acceptance including the Contract Agreement, and, if specified in the BDS, a request to submit additional information on its beneficial ownership. The additional

	information on beneficial ownership, if so specified in the BDS , shall be submitted within eight (8) Business Days of receiving this request.
	45.2 The successful Bidder shall sign, date and return to the Purchaser, the Contract Agreement within twenty-eight (28) days of its receipt.
	45.3 Notwithstanding ITB 45.2 above, in case signing of the Contract Agreement is prevented by any export restrictions attributable to the Purchaser, to Pakistan, or to the use of the products/goods, systems or services to be supplied, where such export restrictions arise from trade regulations from a country supplying those products/goods, systems or services, the Bidder shall not be bound by its Bid, always provided however, that the Bidder can demonstrate to the satisfaction of the Purchaser and of the Bank that signing of the Contract Agreement has not been prevented by any lack of diligence on the part of the Bidder in completing any formalities, including applying for permits, authorizations and licenses necessary for the export of the products/goods, systems or services under the terms of the Contract.
46. Performance Security	46.1 Within twenty-eight (28) days of the receipt of Letter of Acceptance from the Purchaser, the successful Bidder, if required, shall furnish the Performance Security in accordance with the GCC / SCC 18, using for that purpose the Performance Security Form included in Section VIII, Contract Forms, or another Form acceptable to the Purchaser. The Performance Security shall be issued by a reputable bank selected by the successful Bidder. If the Performance Security is issued by a bank located outside Pakistan, it shall be counter-guaranteed by a correspondent bank located in Pakistan, for being encashable in Pakistan. In case of a Joint Venture, the Performance Security must be in the name of all members of the Joint Venture that signs the Contract.
	46.2 Failure of the successful Bidder to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event the Purchaser may award the Contract to the Bidder offering the next Most Advantageous Bid.
47. Procurement Related Complaint	47.1 The procedures for making a Procurement-related Complaint are as specified in the BDS .
48. Integrity Pact	48.1 The Bidder shall sign and affix seal on the Integrity Pact included in Section IV, Bidding Forms, for all procurement contracts worth PKR ten million or more. Failure to provide the Integrity Pact, signed by the person authorized in accordance with ITB 20.3, in the Bid may cause rejection of Bid; unless otherwise rectified under ITB 30.2.
49. Eligible Countries	49.1 The Eligible Countries for Bidders and the Eligible Countries for 'Goods and Related Services' are as specified in the BDS .

We, the undersigned, declare that:

We understand that, according to your conditions, Bids must be supported by a Bid-Securing Declaration.

We accept that we will automatically be suspended from being eligible for bidding or submitting proposals in any contract with the Purchaser for the period of time specified in Section II, Bid Data Sheet, if we are in breach of our obligation(s) under the Bid conditions, because we:

- (a) have withdrawn our Bid prior to the expiry date of the Bid validity specified in the Letter of Bid or any extended date provided by us; or
- (b) having been notified of the acceptance of our Bid by the Purchaser prior to the expiry date of the Bid validity in the Letter of Bid or any extended date provided by us: (i) fail or refuse to sign the Contract, or (ii) fail or refuse to furnish the Performance Security, and, if required, the Environmental and Social (ES) Performance Security, in accordance with the ITB.

We understand this Bid Securing Declaration shall expire if we are not the successful Bidder, upon the earlier of (i) our receipt of your notification to us of the name of the successful Bidder; or (ii) twenty-eight days after the expiry date of the Bid validity.

3.	Advance level training at OEM certified facilities to be conducted by manufacturer or authorized education partner inclusive of hands-on lab sessions.	As specified in the Technical Specifications		OEM certified facilities	

Note: The cost of Goods and Services shall be inclusive of 05 years OEM warranty/after sales support services and other incidental/ related services and obligations of Supplier's part as detailed hereto in this document.

3. Technical Specifications

General Requirements

- i. Must have support (licensed) for open automation tools like Ansible, if required bidder will be responsible to configure 10 workflows.
- ii. All devices must have independent interface (minimum 1 Gbps copper RJ45) for out of band management.
- iii. Must have support (licensed) for telemetry, sFlow/Netflow, SNMP and other standard monitoring protocols.
- iv. Strict front-to-back airflow design
- v. All devices should be energized by redundant hot-swappable AC power supplies. No DC power supplies will be accepted
- vi. Standard NETCONF interface
- vii. All devices must be data center grade
- viii. Solution must contain all the required licenses for above listed features against all devices.
- ix. All devices should be data center grade. There should be no single point of failure.
- x. Vendor will be responsible for deployment, migration from existing site to new sites and DR failover drill.
- xi. Vendor will be responsible to configure and verify all the traffic flows.

Network Security & Protection

A robust security framework is required to protect network resources, web applications, and end-user connectivity. The security solution must incorporate multiple layers of defense, including firewalls, web application protection, and secure remote access.

Perimeter & Edge Security:

- High-performance network firewall for securing external and internal traffic.
- Support for both IPv4 and IPv6 environments.
- Integrated threat protection, including intrusion prevention, anti-malware, and web filtering.
- Secure SSL VPN and IPSec VPN capabilities for remote access and site-to-site connectivity.
- Multi-factor authentication integration for remote access users.
- Role-based access control with centralized identity management.
- Secure segmentation of network traffic based on application, user, and device identity.

Web Application & API Protection

- Dedicated application security platform to protect against web-based threats and OWASP Top 10 vulnerabilities.
- Advanced bot mitigation and anomaly detection mechanisms.
- Real-time application security monitoring with adaptive threat response.
- Dynamic Application Security Testing (DAST) capabilities for pre-deployment security validation.
- Deep packet inspection and encrypted traffic analysis for advanced threat detection.

Security Monitoring & Analytics

- Centralized security event logging, monitoring, and analysis.
- Comprehensive visibility into network security posture and real-time threat intelligence.
- Unified policy management for all security devices, ensuring consistent enforcement.
- Automated threat correlation and incident response capabilities.
- Role-based access control and audit logging for compliance reporting.

Secure Network Segmentation & Zero Trust Implementation

- Granular security policies based on user identity, device type, and application context.
- Network micro-segmentation to prevent lateral movement of threats.
- Context-aware access controls ensuring only authorized users can access critical assets.
- Identity-based security enforcement across all network layers.

Technical Specifications – Internet Edge Next Gen Firewall

The Internet Edge Firewall is a fundamental component of the organization's security infrastructure, solution should be designed to protect the network perimeter and ensure secure communication between the internal network and external services. This solution will handle multiple critical tasks, including managing remote access through SSL VPN, establishing secure IPSec VPN tunnels for site-to-site communication, and providing robust traffic filtering to safeguard against malicious threats. The firewall will play a vital role in securing the internet-facing edge of the network, preventing unauthorized access, mitigating security risks, and ensuring the confidentiality, integrity, and availability of the organization's digital resources. The solution will be deployed with high availability, ensuring that it can scale as the organization grows, and provide continuous security monitoring, logging, and reporting to meet operational and compliance needs.

Secure Remote Access:

- The firewall must support SSL VPN functionality, allowing secure remote access for users to internal resources from any location.

- It should provide user authentication mechanisms such as multi-factor authentication (MFA) and support integration with NAC/authentication systems.
- The firewall must support granular access policies to control user permissions based on roles, locations, and device types.

Site-to-Site VPN (IPSec):

- The firewall must support high-performance, secure IPSec VPN tunnels for establishing encrypted communication between remote sites or branch offices and the primary data center.
- It should offer support for dynamic routing protocols like OSPF or BGP for seamless integration into the existing network infrastructure.
- The firewall must provide reliable tunnel failover mechanisms to ensure uninterrupted connectivity in case of link failure.

Traffic Filtering and Security:

- The firewall should provide deep packet inspection (DPI) and support application-aware filtering to block malicious traffic, prevent DDoS attacks, and detect and mitigate intrusions.
- It must include URL filtering capabilities to block access to harmful or non-compliant websites and enforce organization-specific internet usage policies.
- The solution must support advanced features like SSL inspection, DNS filtering, and web filtering to secure internet traffic and prevent unauthorized access.
-

High Availability and Scalability:

- The firewall must support high availability configurations (active-active or active-passive) to ensure continuous operation in case of hardware or software failure.
- It should offer scalability to accommodate future growth in terms of throughput, the number of VPN users, and the number of connected sites.
- The solution should have sufficient performance capacity to handle peak traffic loads without degradation of security features or connectivity.

Traffic Management and Load Balancing:

- The firewall must support advanced load balancing features for distributing incoming traffic across multiple servers to optimize performance and ensure high availability of services.
- It should include traffic shaping and bandwidth management capabilities to ensure that critical applications receive adequate resources while preventing bandwidth abuse.

Intrusion Prevention and Threat Detection:

- The firewall should integrate intrusion prevention systems (IPS) for detecting and blocking known threats in real time, including signature-based, anomaly-based, and behavior-based detection methods.
- It must include robust anti-bot and anti-virus capabilities to detect and block malicious code, including zero-day exploits.

Logging and Reporting:

- The firewall must provide detailed logging and reporting functionalities, offering insights into network traffic patterns, security events, and system performance.
- The logs should be stored securely, with options for long-term retention and integration with centralized log management systems for further analysis and compliance purposes.
- It should provide real-time alerts for critical events and allow for the configuration of customizable reporting templates to meet operational and compliance requirements.

Centralized Management:

- The solution must include firewall centralized management to simplify configuration, monitoring, and policy enforcement across multiple devices in the network.
- It should provide role-based access control for different levels of administrative access, ensuring that only authorized personnel can modify configurations or access sensitive data.
- The management interface should be user-friendly, with intuitive dashboards and detailed visibility into firewall health, traffic statistics, and security events.

Network Address Translation (NAT) and IP Address Management:

- The firewall must support both static and dynamic NAT configurations, enabling the secure translation of private IP addresses to public IP addresses for internet access and vice versa.
- It should also support port forwarding and DMZ configurations to allow secure access to internal services from the internet while keeping the network protected.

Integration and Compatibility:

- The firewall should support integration with third-party security solutions, including endpoint protection platforms, security information and event management (SIEM) systems, and other network management tools.
- It must be compatible with modern network infrastructure, including IPv6, ensuring future-proofing of the solution.

User and Device Control:

- The firewall should offer granular user and device control, allowing administrators to define policies based on user roles, devices, locations, and time.

- It should support integration with endpoint security solutions for ensuring devices meet security standards before they are allowed to connect to the network.

Compliance and Regulatory Support:

- The firewall must comply with industry standards and regulatory requirements, including but not limited to GDPR, HIPAA, PCI-DSS, and SOC 2.
- It should offer features like secure logging, event monitoring, and audit trails that can help with compliance audits and reporting.

Energy Efficiency and Physical Form Factor:

- The firewall should be designed to be energy efficient, minimizing power consumption while maintaining optimal performance.
- The physical form factor should be suitable for rack mounting in standard data center racks, with options for redundant power supplies to ensure continuous operation.

Performance Throughput and Port Configuration:

- The firewall must be capable of handling high throughput, supporting large-scale traffic loads without compromising performance or security.
- It should support high-speed processing for both VPN connections and deep packet inspection, ensuring minimal latency for critical applications.
- The firewall must have following minimum port configurations

Technical Specifications – Web Application Firewall

The Web Application Firewall (WAF) is required for protecting web applications from a variety of threats, including SQL injection, cross-site scripting (XSS), session hijacking, and other OWASP Top Ten vulnerabilities. It will inspect HTTP/HTTPS traffic between users and web applications to identify and block malicious requests in real time. The WAF will provide strong protection for web-facing applications, allowing FBR to safeguard our services against a wide range of attacks while ensuring optimal performance and availability. This solution will be deployed in active-active High Availability (HA) mode, ensuring redundancy and fault tolerance to maintain continuous protection.

Traffic Inspection and Threat Mitigation:

- The WAF must provide deep packet inspection and support advanced techniques for detecting and blocking threats such as SQL injection, XSS, and other common web application attacks.
- It should support real-time threat intelligence feeds to protect against emerging vulnerabilities and zero-day attacks.
- The WAF must allow for application-layer inspection, enabling it to detect attacks that bypass traditional network firewalls.

High Availability and Scalability:

- The WAF solution must support high availability in active-active or active-passive configurations to ensure continuous protection, even during system failures.
- The solution should be scalable to accommodate traffic growth, ensuring sufficient throughput and minimal latency even during peak traffic conditions.
- It should allow for load balancing across multiple WAF instances to evenly distribute traffic and optimize resource usage.

Application Layer DDoS Protection:

- The WAF should include protection against application-layer DDoS attacks, ensuring that legitimate user traffic is not disrupted during attack scenarios.
- The solution must be able to differentiate between legitimate traffic and attack patterns, effectively mitigating DDoS threats without blocking genuine users.

Automated Signature Updates and Custom Rules:

- The WAF should support automatic updates of threat signatures to defend against known attack patterns.
- It should provide flexibility to create custom security rules tailored to the organization's specific applications and requirements.

Traffic Anomaly Detection and Behavioral Analysis:

- The WAF must have the ability to detect anomalous traffic patterns and flag behavior that deviates from established baselines, such as sudden spikes in traffic volume or unusual request types.
- It should support advanced machine learning or statistical models to improve the detection of new and unknown attack patterns.

SSL/TLS Decryption and Inspection:

- The device must have hardware-based SSL/TLS offloading.
- The WAF must support SSL/TLS decryption for inspecting encrypted web traffic. It should allow for the inspection of HTTPS traffic to detect hidden threats in encrypted sessions.
- The WAF must handle the SSL/TLS handshake and certificate management to facilitate seamless decryption and re-encryption without introducing significant overhead.

Granular Access Controls and Policy Management:

- The WAF should support granular access controls to allow administrators to define security policies based on parameters such as IP address, geolocation, user agent, URL, HTTP methods, and custom attributes.
- It should provide a user-friendly interface for policy creation, management, and updates, making it easy to configure and adjust security policies as needed.

Centralized Logging, Reporting, and Forensics:

- The WAF must provide detailed logging capabilities, with logs available for analysis and integration into centralized log management systems or SIEM platforms.
- It should provide comprehensive reports detailing security incidents, attack types, and trends to support incident response, compliance, and audits.

- The WAF should include forensic capabilities for tracing attack vectors and understanding the methods used in an attack.

User and Session Management:

- The WAF should be capable of inspecting and managing user sessions, ensuring that they are valid and secure.
- It should have the ability to track session activities and detect anomalies such as session fixation, session hijacking, or unauthorized access.

Compliance and Regulatory Support:

- The WAF must comply with major industry standards and regulations, including PCI-DSS, GDPR, HIPAA, and other relevant compliance frameworks.
- It should include features that support compliance audits, such as logging, reporting, and data privacy controls.

API Protection and Rate Limiting:

- The WAF should support API security by providing protections for RESTful APIs, SOAP-based web services, and other API protocols.
- It should include rate limiting features to prevent abuse of APIs and protect against brute force and other types of attack.

User-friendly Management and Integration:

- The WAF must provide a user-friendly web-based management interface with easy-to-read dashboards, reporting, and configuration tools.
- It should allow seamless integration with other security solutions, such as SIEMs, endpoint protection systems, and network firewalls, for a unified security posture.

Dynamic Application Security Testing (DAST) Solution Requirements:

Automated Vulnerability Scanning:

- The DAST solution must support automated vulnerability scanning of web applications to identify potential security weaknesses without requiring access to the source code.
- It should include the ability to detect issues like SQL injection, XSS, and other OWASP Top Ten vulnerabilities.

Real-time Threat Detection:

- The DAST tool must provide real-time threat detection during the testing process, enabling the identification and remediation of issues as they are found.
- It should offer the ability to simulate real-world attacks to better understand vulnerabilities in the application.

Comprehensive Reporting and Analysis:

- The DAST solution must generate comprehensive reports with detailed information on the vulnerabilities discovered, including severity ratings, recommended fixes, and risk assessments.
- It should integrate with development workflows to facilitate the remediation process and track the progress of vulnerability mitigation.

Integration with CI/CD Pipelines:

- The DAST solution should integrate with the organization's continuous integration/continuous deployment (CI/CD) pipelines, enabling automatic scanning of applications as part of the development lifecycle.
- It should provide actionable feedback to development teams, allowing them to address vulnerabilities before applications are deployed to production.

Customizable Scanning Policies:

- The DAST solution must support customizable scanning policies to adapt to different types of web applications, development methodologies, and deployment environments.
- It should allow administrators to define scan frequency, depth, and scope based on the needs of specific applications.

Migration Considerations:

Seamless Migration Path:

- The migration from the existing WAF to the new solution must be planned and executed with minimal disruption to operations.

- The migration should include the configuration of security policies, rules, and custom settings from the existing solution to the new solution.
- It should involve thorough testing of the new WAF deployment in parallel with the legacy solution to ensure no gaps in protection during the transition.

Data and Configuration Migration:

- The migration process should ensure that all relevant historical data, including logs, security incidents, and configurations, are migrated to the new solution for continuity in monitoring, reporting, and forensics.
- It should include the transfer of custom rules and security policies to the new platform while making necessary adjustments to account for differences in functionality or architecture.

High Availability Setup:

- The new WAF solution must be deployed in a high-availability (HA) configuration, supporting active-active mode to ensure the redundancy and fault tolerance of the system.
- The solution should provide load balancing and failover capabilities to prevent single points of failure and ensure continuous protection for web applications.

Post-migration Validation and Monitoring:

- After migration, the new WAF solution should be thoroughly validated to ensure that it provides the same, if not better, level of security as the previous deployment.
- Continuous monitoring and performance checks should be conducted to ensure the new solution operates efficiently and effectively without introducing latency or false positives.

Technical Specifications – ADC / GSLB

The Hardware-Based Global Server Load Balancer (GSLB) solution must be designed to ensure high availability, optimal performance, and seamless failover between the primary and disaster recovery (DR) data centers. This solution will intelligently distribute incoming traffic across the primary and DR sites based on real-time health, performance, and geographic proximity, while also providing automatic and manual traffic redirection capabilities in the event of a failure or maintenance scenario.

Key Features and Requirements:

Global Traffic Distribution:

- The solution should support DNS-based GSLB to intelligently route user requests to the optimal data center (primary or DR) based on server health, latency, geographic location, and load.
- Ensuring users are directed to the nearest or most available data center for improved performance.

High Availability and Failover:

- Continuous health monitoring of servers and applications in both primary and DR data centers.
- Automatic traffic redirection to the DR site in case of primary site failure, with minimal disruption to end-users.
- Manual failover and failback capabilities for controlled traffic shifts during maintenance or testing.

Traffic Management Policies:

- Configurable load balancing policies, including weighted distribution, geographic-based routing, and active-passive configurations.
- Application-aware load balancing to optimize performance for specific services.

Performance Optimization:

- Real-time monitoring and analytics to route traffic to the best-performing data center.
- Integration with other security and networking solutions for enhanced performance and security.

Disaster Recovery Readiness:

- Ensures DR site readiness to handle traffic during primary site failures.
- Synchronization of configurations and policies between primary and DR sites for consistency.

Security and Compliance:

- Built-in security features such as DDoS protection, SSL/TLS offloading, and web application firewall (WAF) capabilities.
- Compliance with industry standards and regulations.

Scalability and Redundancy:

- Highly scalable to accommodate growing traffic and data center demands.
- Redundant hardware components to eliminate single points of failure.

Management and Reporting:

- Centralized management interface for configuration, monitoring, and troubleshooting.
- Comprehensive reporting and analytics for traffic patterns, performance, and failover events.

Deployment Scenarios:

- **Active-Passive Configuration:** Primary data center handles all traffic under normal conditions, with DR site on standby. GSLB redirects traffic to DR during failures or maintenance.
- **Active-Active Configuration:** Both primary and DR data centers actively handle traffic, with GSLB distributing load based on policies for optimal resource utilization.

Benefits:

- Ensures uninterrupted service availability with automatic traffic shifting between primary and DR sites.
- Improves application performance by routing users to the best-performing data center.
- Enhances disaster recovery readiness and minimizes downtime during outages.
- Provides flexibility for manual traffic shifts during planned maintenance or testing.

This bidding document includes no drawings.

5. Inspections and Tests

Where/ if applicable, the following inspections and tests shall be performed:

- i. The Purchaser or its representative shall have the right to inspect and/ or to test the Goods to confirm their conformity to the Technical/ Contract specifications at no extra cost to the Purchaser.
- ii. The inspections and tests may be conducted at the Goods' final destination. However, all reasonable facilities and assistance, including access to drawings/ production data (if any/ applicable), testing tools and online verification from official web site of the Manufacture, shall be arranged by the Supplier without any additional cost to the Purchaser.
- iii. Should any inspected or tested Goods fail to conform to the Specifications, the Purchaser may reject the Goods, and the Supplier shall replace the rejected Goods within three working days as per specification requirements free of cost to the Purchaser.
- iv. The Purchaser's right to inspect, test and, where necessary, reject the Goods after the Goods' arrival at the Purchaser's delivery point shall in no way be limited or waived by reason of the Goods having previously been inspected, tested, and passed by the Purchaser or its representative prior to the Goods' shipment from the factory/ warehouse.
- v. Nothing mentioned here "Inspection and Tests" shall not in any way release the Supplier from any warranty or other obligations under this Contract

PART 3 - Conditions of Contract and Contract Forms

Section VI. General Conditions of Contract (GCC)

General Conditions of Contract	
1. Definitions	1.1 The following words and expressions shall have the meanings hereby assigned to them: (a) “Bank” means the World Bank and refers to the International Bank for Reconstruction and Development (IBRD) or the International Development Association (IDA) (b) “Contract” means the Contract Agreement entered into between the Purchaser and the Supplier, together with the Contract Documents referred to therein, including all attachments, appendices, and all documents incorporated by reference therein. (c) “Contract Documents” means the documents listed in the Contract Agreement, including any amendments thereto. (d) “Contract Price” means the price payable to the Supplier as specified in the Contract Agreement, subject to such additions and adjustments thereto or deductions therefrom, as may be made pursuant to the Contract. (e) “Completion” means the fulfillment of the Related Services by the Supplier in accordance with the terms and conditions set forth in the Contract. (f) “Day” means calendar day. (g) “Delivery” means the transfer of the Goods from the Supplier to the Purchaser in accordance with the terms and conditions set forth in the Contract. (h) “GCC” means the General Conditions of Contract. (i) “Goods” means all of the commodities, raw material, machinery and equipment, and/or other materials that the Supplier is required to supply to the Purchaser under the Contract. (j) “Purchaser” means the entity purchasing the Goods and Related Services, as specified in the SCC. (k) “Related Services” means the services incidental to the supply of the goods, such as insurance, installation, training and initial maintenance and other such obligations of the Supplier under the Contract. (l) “SCC” means the Special Conditions of Contract. (m) “Subcontractor” means any person, private or government entity, or a combination of the above, to whom any part of the Goods to be supplied or execution of any part of the Related Services is subcontracted by the Supplier.

	(n) “Supplier” means the person, private or government entity, or a combination of the above, whose Bid to perform the Contract has been accepted by the Purchaser and is named as such in the Contract Agreement. (o) “The Project Site,” where applicable, means the place named in the SCC.
2.Contract Documents	2.1 Subject to the order of precedence set forth in the Contract Agreement, all documents forming the Contract (and all parts thereof) are intended to be correlative, complementary, and mutually explanatory. The Contract Agreement shall be read as a whole.
3.Fraud and Corruption	3.1 The Bank requires compliance with the Bank’s Anti-Corruption Guidelines and its prevailing sanctions policies and procedures as set forth in APPENDIX 1 to the GCC. 3.2 The Purchaser requires the Supplier to disclose any commissions or fees that may have been paid or are to be paid to agents or any other party with respect to the Bidding process or execution of the Contract. The information disclosed must include at least the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee.
4.Interpretation	4.1 If the context so requires it, singular means plural and vice versa. 4.2 Incoterms: (a) Unless inconsistent with any provision of the Contract, the meaning of any trade term and the rights and obligations of parties thereunder shall be as prescribed by Incoterms specified in the SCC. (b) The terms EXW, FCA, CPT, CIP, DDP, FOB and other similar terms, when used, shall be governed by the rules prescribed in the current edition of Incoterms specified in the SCC and published by the International Chamber of Commerce in Paris, France. 4.3 Entire Agreement: The Contract constitutes the entire agreement between the Purchaser and the Supplier and supersedes all communications, negotiations and agreements (whether written or oral) of the parties with respect thereto made prior to the date of Contract. 4.4 Amendment: No amendment or other variation of the Contract shall be valid unless it is in writing, is dated, expressly refers to the Contract, and is signed by a duly authorized representative of each party thereto.

	4.5 Nonwaiver: (a) Subject to GCC Sub-Clause 4.5(b) below, no relaxation, forbearance, delay, or indulgence by either party in enforcing any of the terms and conditions of the Contract or the granting of time by either party to the other shall prejudice, affect, or restrict the rights of that party under the Contract, neither shall any waiver by either party of any breach of Contract operate as waiver of any subsequent or continuing breach of Contract. (b) Any waiver of a party's rights, powers, or remedies under the Contract must be in writing, dated, and signed by an authorized representative of the party granting such waiver, and must specify the right and the extent to which it is being waived. 4.6 Severability: If any provision or condition of the Contract is prohibited or rendered invalid or unenforceable, such prohibition, invalidity or unenforceability shall not affect the validity or enforceability of any other provisions and conditions of the Contract.
5.Language	5.1 The Contract as well as all correspondence and documents relating to the Contract exchanged by the Supplier and the Purchaser, shall be written in the language specified in the SCC. Supporting documents and printed literature that are part of the Contract may be in another language provided they are accompanied by an accurate translation of the relevant passages in the language specified, in which case, for purposes of interpretation of the Contract, this translation shall govern. 5.2 The Supplier shall bear all costs of translation to the governing language and all risks of the accuracy of such translation, for documents provided by the Supplier.
6.Joint Venture, Consortium or Association	6.1 If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfillment of the provisions of the Contract and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser. 6.2 If the Supplier comprises a JV, Consortium or Association, the Supplier (and each JV partner individually) acknowledges and agrees to actively participate and contribute its fair share of resources, as set forth in the JV, Consortium or Association Agreement and related bid documents. Active involvement shall include, but not be limited to, contributing financial resources, personnel, expertise, equipment, and

	other resources as specified in the JV, Consortium or Association Agreement. The Supplier (and each Partner) shall adhere to the contribution commitments outlined in the JV, Consortium or Association Agreement and related bid documents and shall promptly fulfill its obligations in a timely manner. The Purchaser shall have the right to verify and monitor each partner's contributions to ensure compliance with the JV, Consortium or Association Agreement and related bid documents.
7. Eligibility	7.1 The Supplier and its Subcontractors shall have the nationality of an eligible country. A Supplier or Subcontractor shall be deemed to have the nationality of a country if it is a citizen or constituted, incorporated, or registered, and operates in conformity with the provisions of the laws of that country.
	7.2 All Goods and Related Services to be supplied under the Contract and financed by the Bank shall have their origin in Eligible Countries. For the purpose of this Clause, origin means the country where the goods have been grown, mined, cultivated, produced, manufactured, or processed; or through manufacture, processing, or assembly, another commercially recognized article results that differs substantially in its basic characteristics from its components. Eligibility of the Goods and Related Services shall be further subject to GCC 9.2 below.
8. Notices	8.1 Any notice given by one party to the other pursuant to the Contract shall be in writing to the address specified in the SCC. The term “in writing” means communicated in written form with proof of receipt.
	8.2 A notice shall be effective when delivered or on the notice’s effective date, whichever is later.
9. Governing Law	9.1 The Contract shall be governed by and interpreted in accordance with the laws of Islamic Republic of Pakistan.
	9.2 Throughout the execution of the Contract, the Supplier shall comply with the import of goods and services prohibitions in Pakistan when: (a) as a matter of law or official regulations, Pakistan prohibits commercial relations with that country; or (b) by an act of compliance with a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations, Pakistan prohibits any import of goods from that country or any payments to any country, person, or entity in that country.

10.Settlement of Disputes	10.1 The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.
	10.2 If, after twenty-eight (28) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract. Arbitration proceedings shall be conducted in accordance with the rules of procedure specified in the SCC.
	10.3 Notwithstanding any reference to arbitration herein, (a) the parties shall continue to perform their respective obligations under the Contract unless they otherwise agree; and (b) the Purchaser shall pay the Supplier any monies due the Supplier.
11.Inspections and Audit by the Bank	11.1 The Supplier shall keep, and shall make all reasonable efforts to cause its Subcontractors to keep, accurate and systematic accounts and records in respect of the Goods in such form and details as will clearly identify relevant time changes and costs.
	11.2 Pursuant to: sub-item 2.2 (e) of Fraud and Corruption, the Supplier shall permit and shall cause its agents (where declared or not), subcontractors, subconsultants, service providers, suppliers, and personnel, to permit, the Bank and/or persons appointed by the Bank to inspect the site and/or the accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have such accounts, records and other documents audited by auditors appointed by the Bank. The Supplier's and its Subcontractors' and subconsultants' attention is drawn to Sub-Clause 3.1 (Fraud and Corruption) which provides, inter alia, that acts intended to materially impede the exercise of the Bank's inspection and audit rights constitute a prohibited practice subject to contract termination (as well as to a determination of ineligibility pursuant to the Bank's prevailing sanctions procedures).
12.Scope of Supply	12.1 The Goods and Related Services to be supplied shall be as specified in the Schedule of Requirements.
	12.2 Unless otherwise stipulated in the Contract, the Scope of Supply shall include all such items not specifically mentioned in the Contract, besides

	samples that are specified in the SCC if required, but that can be reasonably inferred from the Contract as being required for attaining Delivery and Completion of the Goods and Related Services as if such items were expressly mentioned in the Contract.
13.Delivery and Documents	13.1 Subject to GCC Sub-Clause 33.1, the Delivery of the Goods and Completion of the Related Services shall be in accordance with the Delivery and Completion Schedule specified in the Schedule of Requirements. The details of shipping and other documents to be furnished by the Supplier are specified in the SCC.
14.Supplier's Responsibilities	14.1 The Supplier shall supply all the Goods and Related Services included in the Scope of Supply in accordance with GCC Clause 12, and the Delivery and Completion Schedule, as per GCC Clause 13.
	14.2 The Supplier, including its Subcontractors, shall not employ or engage forced labor or persons subject to trafficking, as described in GCC Sub-Clauses 14.3 and 14.4.
	14.3 Forced labor consists of any work or service, not voluntarily performed, that is exacted from an individual under threat of force or penalty, and includes any kind of involuntary or compulsory labor, such as indentured labor, bonded labor or similar labor-contracting arrangements.
	14.4 Trafficking in persons is defined as the recruitment, transportation, transfer, harbouring or receipt of persons by means of the threat or use of force or other forms of coercion, abduction, fraud, deception, abuse of power, or of a position of vulnerability, or of the giving or receiving of payments or benefits to achieve the consent of a person having control over another person, for the purposes of exploitation.
	14.5 The Supplier, including its Subcontractors, shall not employ or engage a child under the age of 14 unless the national law specifies a higher age (the minimum age).
	14.6 The Supplier, including its Subcontractors, shall not employ or engage a child between the minimum age and the age of 18 in a manner that is likely to be hazardous, or to interfere with, the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development.
	14.7 Work considered hazardous for children is work that, by its nature or the circumstances in which it is carried out, is likely to jeopardize the health, safety, or morals of children. Such work activities prohibited for children include work:

	(a) with exposure to physical, psychological or sexual abuse; (b) underground, underwater, working at heights or in confined spaces; (c) with dangerous machinery, equipment or tools, or involving handling or transport of heavy loads; (d) in unhealthy environments exposing children to hazardous substances, agents, or processes, or to temperatures, noise or vibration damaging to health; or (e) under difficult conditions such as work for long hours, during the night or in confinement on the premises of the employer.
	14.8 The Supplier shall comply, and shall require its Subcontractors if any to comply, with all applicable health and safety regulations, laws, guidelines, and any other requirement stated in the Technical Specifications.
	14.9 The Supplier shall comply with additional obligations as specified in the SCC.
15.Contract Price	15.1 The Contract Price shall be as specified in the Agreement subject to any additions and adjustments thereto, or deductions therefrom, as may be made pursuant to the Contract.
	15.2 Prices charged by the Supplier for the Goods supplied and the Related Services performed under the Contract shall not vary from the prices quoted by the Supplier in its Bid, with the exception of any price adjustments authorized in the SCC.
16.Terms of Payment	16.1 The Contract Price, including any Advance Payments, if applicable, shall be paid as specified in the SCC.
	16.2 The Supplier's request for payment shall be made to the Purchaser in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant to GCC Clause 13 and upon fulfillment of all other obligations stipulated in the Contract.
	16.3 Payments shall be made promptly by the Purchaser, but in no case later than sixty (60) days after submission of an invoice or request for payment by the Supplier, and after the Purchaser has accepted it.
	16.4 The currencies in which payments shall be made to the Supplier under this Contract shall be those in which the Bid price is expressed.
	16.5 In the event that the Purchaser fails to pay the Supplier any payment by its due date or within the period set forth in the SCC, the Purchaser

	shall pay to the Supplier interest on the amount of such delayed payment at the rate shown in the SCC , for the period of delay until payment has been made in full, whether before or after judgment or arbitrage award.
17.Taxes and Duties	17.1 For goods manufactured outside Pakistan, the Supplier shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside Pakistan.
	17.2 For goods Manufactured within Pakistan, the Supplier shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Purchaser.
	17.3 If any tax exemptions, reductions, allowances or privileges may be available to the Supplier in Pakistan, the Purchaser shall use its best efforts to enable the Supplier to benefit from any such tax savings to the maximum allowable extent.
18.Performance Security	18.1 If required as specified in the SCC , the Supplier shall, within twenty-eight (28) days of the notification of contract award, provide a performance security for the performance of the Contract in the amount specified in the SCC . In case if the Supplier is a JV, Consortium or Association, the performance security shall be in the name of the JV, Consortium or Association. The performance security in the name of any JV partner or submitted by any JV partner on behalf of the entire JV, Consortium or Association shall not be acceptable.
	18.2 The proceeds of the Performance Security shall be payable to the Purchaser as compensation for any loss resulting from the Supplier's failure to complete its obligations under the Contract.
	18.3 As specified in the SCC , the Performance Security, if required, shall be denominated in the currency(ies) of the Contract, or in a freely convertible currency acceptable to the Purchaser; and shall be in one of the formats stipulated by the Purchaser in the SCC , or in another format acceptable to the Purchaser.
	18.4 The performance security must remain valid until Completion of the Supplier's performance obligations under the Contract, including any warranty / functional Guarantee obligations. The Performance security with insufficient validity shall not be acceptable. The performance security shall be discharged by the Purchaser and returned to the Supplier not later than twenty-eight (28) days following the date of Completion of the Supplier's performance obligations under the Contract, including any warranty / functional Guarantee obligations, unless specified otherwise in the SCC .

19.Copyright	19.1 The copyright in all drawings, documents, and other materials containing data and information furnished to the Purchaser by the Supplier herein shall remain vested in the Supplier, or, if they are furnished to the Purchaser directly or through the Supplier by any third party, including suppliers of materials, the copyright in such materials shall remain vested in such third party.
20.Confidential Information	20.1 The Purchaser and the Supplier shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Supplier may furnish to its Subcontractor such documents, data, and other information it receives from the Purchaser to the extent required for the Subcontractor to perform its work under the Contract, in which event the Supplier shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Supplier under GCC Clause 20. 20.2 The Purchaser shall not use such documents, data, and other information received from the Supplier for any purposes unrelated to the Contract. Similarly, the Supplier shall not use such documents, data, and other information received from the Purchaser for any purpose other than the performance of the Contract. 20.3 The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that: (a) the Purchaser or Supplier need to share with the Bank or other institutions participating in the financing of the Contract; (b) now or hereafter enters the public domain through no fault of that party; (c) can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or (d) otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality. 20.4 The above provisions of GCC Clause 20 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof. 20.5 The provisions of GCC Clause 20 shall survive completion or termination, for whatever reason, of the Contract.

21.Subcontracting	21.1 The Supplier shall notify the Purchaser in writing of all subcontracts awarded under the Contract if not already specified in the Bid, duly verifying eligibility of the respective subcontractors / suppliers in accordance with GCC 7.1 above. Notification by the Supplier, for addition of any Subcontractor not named in the Contract, shall also include the Subcontractor's declaration in accordance with Appendix 2 to the GCC- Sexual exploitation and Abuse (SEA) and/or Sexual Harassment (SH) Performance Declaration. Such notification, in the original Bid or later shall not relieve the Supplier from any of its obligations, duties, responsibilities, or liability under the Contract. 21.2 Subcontracts shall comply with the provisions of GCC Clauses 3 and 7.
22.Specifications and Standards	22.1 Technical Specifications and Drawings (a) The Goods and Related Services supplied under this Contract shall conform to the technical specifications and standards mentioned in Section V, Schedule of Requirements and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the Goods' country of origin; ; Provided that no relaxation in the warranty / functional Guarantee (as and if required) shall be made available to the Supplier due to severe climatic conditions in Pakistan. (b) The Supplier shall be entitled to disclaim responsibility for any design, data, drawing, specification or other document, or any modification thereof provided or designed by or on behalf of the Purchaser, by giving a notice of such disclaimer to the Purchaser. (c) Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the Schedule of Requirements. During Contract execution, any changes in any such codes and standards shall be applied only after approval by the Purchaser and shall be treated in accordance with GCC Clause 33.
23. Packing and Documents	23.1 The Supplier shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit. 23.2 The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be

	expressly provided for in the Contract, including additional requirements, if any, specified in the SCC , and in any other instructions ordered by the Purchaser.
24. Insurance	24.1 Unless otherwise specified in the SCC , the Goods supplied under the Contract shall be fully insured—in a freely convertible currency from an eligible country—against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC .
25. Transportation and Incidental Services	25.1 Unless otherwise specified in the SCC , responsibility for arranging transportation of the Goods shall be in accordance with the specified Incoterms.
	25.2 The Supplier may be required to provide any or all of the following services, including additional services, if any, specified in SCC: (a) performance or supervision of on-site assembly and/or start-up of the supplied Goods; (b) furnishing of tools required for assembly and/or maintenance of the supplied Goods; (c) furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods; (d) performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Supplier of any warranty / functional guarantee obligations under this Contract; and (e) training of the Purchaser's personnel, at the Supplier's plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods.
	25.3 Prices charged by the Supplier for incidental services, if not included in the Contract Price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services.
26. Inspections and Tests	26.1 The Supplier shall at its own expense and at no cost to the Purchaser carry out all such tests and/or inspections of the Goods and Related Services as are specified in the Section V, Schedule of Requirements.
	26.2 The inspections and tests may be conducted on the premises of the Supplier or its Subcontractor, at point of delivery, and/or at the Goods' final destination, or in another place in Pakistan as specified in the SCC . Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Supplier or its Subcontractor, all reasonable facilities and assistance,

	including access to drawings and production data, shall be furnished to the inspectors at no charge to the Purchaser.
	26.3 The Purchaser or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Purchaser bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.
	26.4 Whenever the Supplier is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Purchaser. The Supplier shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Purchaser or its designated representative to attend the test and/or inspection.
	26.5 The Purchaser may require the Supplier to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the Technical Specifications codes and standards under the Contract, provided that the Supplier's reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Supplier's performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.
	26.6 The Supplier shall provide the Purchaser with a report of the results of any such test and/or inspection.
	26.7 The Purchaser may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Supplier shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Purchaser, and shall repeat the test and/or inspection, at no cost to the Purchaser, upon giving a notice pursuant to GCC Sub-Clause 26.4.
	26.8 The Supplier agrees that neither the execution of a test and/or inspection of the Goods or any part thereof, nor the attendance by the Purchaser or its representative, nor the issue of any report pursuant to GCC Sub-Clause 26.6, shall release the Supplier from any warranties / functional guarantees or other obligations under the Contract.
27.Delay Damages	27.1 Except as provided under GCC Clause 32, if the Supplier fails to deliver any or all of the Goods by the Date(s) of delivery or perform the Related Services within the period specified in the Contract, the Purchaser may without prejudice to all its other remedies under the Contract, deduct

	from the Contract Price, as delay damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Purchaser may terminate the Contract pursuant to GCC Clause 35.
28.Warranty	28.1 The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
	28.2 Subject to GCC Sub-Clause 22.1(b), the Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in Pakistan.
	28.3 Unless otherwise specified in the SCC, the warranty shall remain valid for twelve (12) months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or for eighteen (18) months after the date of shipment from the port or place of loading in the country of origin, whichever period concludes earlier.
	28.4 The Purchaser shall give notice to the Supplier stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Purchaser shall afford all reasonable opportunity for the Supplier to inspect such defects.
	28.5 Upon receipt of such notice, the Supplier shall, within the period specified in the SCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Purchaser.
	28.6 If having been notified, the Supplier fails to remedy the defect within the period specified in the SCC, the Purchaser may proceed to take within a reasonable period such remedial action as may be necessary, at the Supplier's risk and expense and without prejudice to any other rights which the Purchaser may have against the Supplier under the Contract.
29.Patent Indemnity	29.1 The Supplier shall, subject to the Purchaser's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Purchaser and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Purchaser may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark,

	copyright, or other intellectual property right registered or otherwise existing at the date of the Contract by reason of: (a) the installation of the Goods by the Supplier or the use of the Goods in Pakistan; and (b) the sale in any country of the products produced by the Goods. Such indemnity shall not cover any use of the Goods or any part thereof other than for the purpose indicated by or to be reasonably inferred from the Contract, neither any infringement resulting from the use of the Goods or any part thereof, or any products produced thereby in association or combination with any other equipment, plant, or materials not supplied by the Supplier, pursuant to the Contract. 29.2 If any proceedings are brought or any claim is made against the Purchaser arising out of the matters referred to in GCC Sub-Clause 29.1, the Purchaser shall promptly give the Supplier a notice thereof, and the Supplier may at its own expense and in the Purchaser's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim. 29.3 If the Supplier fails to notify the Purchaser within twenty-eight (28) days after receipt of such notice that it intends to conduct any such proceedings or claim, then the Purchaser shall be free to conduct the same on its own behalf and at the expense of the Supplier. 29.4 The Purchaser shall, at the Supplier's request, afford all available assistance to the Supplier in conducting such proceedings or claim, and shall be reimbursed by the Supplier for all reasonable expenses incurred in so doing. 29.5 The Purchaser shall indemnify and hold harmless the Supplier and its employees, officers, and Subcontractors from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Supplier may suffer as a result of any infringement or alleged infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered or otherwise existing at the date of the Contract arising out of or in connection with any design, data, drawing, specification, or other documents or materials provided or designed by or on behalf of the Purchaser.
30.Limitation of Liability	30.1 Except in cases of criminal negligence or willful misconduct, (a) the Supplier shall not be liable to the Purchaser, whether in contract, tort, or otherwise, for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that

	this exclusion shall not apply to any obligation of the Supplier to pay delay damages to the Purchaser and (b) the aggregate liability of the Supplier to the Purchaser, whether under the Contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Supplier to indemnify the Purchaser with respect to patent infringement.
31.Change in Laws and Regulations	31.1 Unless otherwise specified in the Contract, if after the date of 28 days prior to date of Bid submission, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in the place of Pakistan where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and/or the Contract Price, then such Delivery Date and/or Contract Price shall be correspondingly increased or decreased, to the extent that the Supplier has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited if the same has already been accounted for in the price adjustment provisions where applicable, in accordance with GCC Clause 15.
32.Force Majeure	32.1 The Supplier shall not be liable for forfeiture of its Performance Security, delay damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure. 32.2 For purposes of this Clause, “Force Majeure” means an event or situation beyond the control of the Supplier that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Supplier. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes. 32.3 If a Force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing, the Supplier shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
33.Change Orders and Contract Amendments	33.1 The Purchaser may at any time order the Supplier through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following: (a) drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;

	(b) the method of shipment or packing; (c) the place of delivery; and (d) the Related Services to be provided by the Supplier. 33.2 If any such change causes an increase or decrease in the cost of, or the time required for, the Supplier's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery/Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the Supplier for adjustment under this Clause must be asserted within twenty-eight (28) days from the date of the Supplier's receipt of the Purchaser's change order. 33.3 Prices to be charged by the Supplier for any Related Services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Supplier for similar services. 33.4 Value Engineering: The Supplier may prepare, at its own cost, a value engineering proposal at any time during the performance of the contract. The value engineering proposal shall, at a minimum, include the following; (a) the proposed change(s), and a description of the difference to the existing contract requirements; (b) a full cost/benefit analysis of the proposed change(s) including a description and estimate of costs (including life cycle costs) the Purchaser may incur in implementing the value engineering proposal; and (c) a description of any effect(s) of the change on performance/functionality. The Purchaser may accept the value engineering proposal if the proposal demonstrates benefits that: (a) accelerates the delivery period; or (b) reduces the Contract Price or the life cycle costs to the Purchaser; or (c) improves the quality, efficiency or sustainability of the Goods; or (d) yields any other benefits to the Purchaser, without compromising the necessary functions of the Facilities. If the value engineering proposal is approved by the Purchaser and results in: (a) a reduction of the Contract Price; the amount to be paid to the Supplier shall be the percentage specified in the SCC of the reduction in the Contract Price; or
--	--

	(b) an increase in the Contract Price; but results in a reduction in life cycle costs due to any benefit described in (a) to (d) above, the amount to be paid to the Supplier shall be the full increase in the Contract Price: Provided that the reduction in life cycle costs is at least ten (10) percent, and the Supplier will provide a Bank Guarantee equivalent to the increased amount to be paid by the Purchaser, and it shall be valid over 'Life Cycle Time Period'; whereas, the amount of Bank Guarantee shall be reduced proportionately to the Time Period elapsed, to eventually become worthless at the end of 'Life Cycle Time Period'. 33.5 Subject to the above, no variation in or modification of the terms of the Contract shall be made except by written amendment signed by the parties.
34.Extensions of Time	34.1 If at any time during performance of the Contract, the Supplier or its Subcontractors should encounter conditions impeding timely delivery of the Goods or completion of Related Services pursuant to GCC Clause 13, the Supplier shall promptly notify the Purchaser in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the Supplier's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract. 34.2 Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Supplier in the performance of its Delivery and Completion obligations shall render the Supplier liable to the imposition of delay damages pursuant to GCC Clause 27, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.
35.Termination	35.1 Termination for Default: (a) The Purchaser, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, may terminate the Contract in whole or in part: (i) if the Supplier fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Purchaser pursuant to GCC Clause 34; (ii) if the Supplier fails to perform any other obligation under the Contract; or (iii) if the Supplier, in the judgment of the Purchaser has engaged in Fraud and Corruption, as defined in the APPENDIX 1 to the GCC, OR violated the Integrity Pact, in competing for or in executing the Contract. (b) In the event the Purchaser terminates the Contract in whole or in part, pursuant to GCC Sub-Clause 35.1(a), the Purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Supplier

	shall be liable to the Purchaser for any additional costs for such similar Goods or Related Services. However, the Supplier shall continue performance of the Contract to the extent not terminated. 35.2 Termination for Insolvency: (a) The Purchaser may at any time terminate the Contract by giving notice to the Supplier if the Supplier becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Supplier, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Purchaser. 35.3 Termination for Convenience: (a) The Purchaser, by notice sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the Supplier under the Contract is terminated, and the date upon which such termination becomes effective. (b) The Goods that are complete and ready for shipment within twenty-eight (28) days after the Supplier's receipt of notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect: (i) to have any portion completed and delivered at the Contract terms and prices; and/or (ii) to cancel the remainder and pay to the Supplier an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the Supplier.
36.Assignment	36.1 Neither the Purchaser nor the Supplier shall assign, in whole or in part, their obligations under this Contract, except with prior written consent of the other party.
37.Export Restriction	37.1 Notwithstanding any obligation under the Contract to complete all export formalities, any export restrictions attributable to the Purchaser, to Pakistan, or to the use of the products/goods, systems or services to be supplied, which arise from trade regulations from a country supplying those products/goods, systems or services, and which substantially impede the Supplier from meeting its obligations under the Contract, shall release the Supplier from the obligation to provide deliveries or services, always provided, however, that the Supplier can demonstrate to the satisfaction of the Purchaser and of the Bank that it has completed all formalities in a timely manner, including applying for permits, authorizations and licenses necessary for the export of the products/goods, systems or services under

	the terms of the Contract. Termination of the Contract on this basis shall be for the Purchaser's convenience pursuant to Sub-Clause 35.3.
38.Purchaser's Obligations	38.1 Whenever the supply of Goods and Related Services requires that the Supplier obtain permits, approvals, and import and other licenses from local public authorities, the Purchaser shall, if so required by the Supplier, make its best effort to assist the Supplier in complying with such requirements in a timely and expeditious manner.
	38.2 Subject to GCC Clause 17, Taxes and Duties, the Purchaser shall pay all costs involved in the performance of its obligations, in accordance with GCC Sub-Clause 38.1.

APPENDIX 1 - Corruption and Integrity Pact

Fraud and Corruption

(Text in this Appendix shall not be modified)

1. Purpose

- 1.1 The Bank's Anti-Corruption Guidelines and this annex apply with respect to procurement under Bank Investment Project Financing operations.

2. Requirements

- 2.1 The Bank requires that Borrowers (including beneficiaries of Bank financing); bidders (applicants/proposers), consultants, contractors and suppliers; any sub-contractors, sub-consultants, service providers or suppliers; any agents (whether declared or not); and any of their personnel, observe the highest standard of ethics during the procurement process, selection and contract execution of Bank-financed contracts, and refrain from Fraud and Corruption.

- 2.2 To this end, the Bank:

- a. Defines, for the purposes of this provision, the terms set forth below as follows:
 - i. "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
 - ii. "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;
 - iii. "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
 - iv. "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
 - v. "obstructive practice" is:
 - (a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede a Bank investigation into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
 - (b) acts intended to materially impede the exercise of the Bank's inspection and audit rights provided for under paragraph 2.2 e. below.
- b. Rejects a proposal for award if the Bank determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- c. In addition to the legal remedies set out in the relevant Legal Agreement, may take other appropriate actions, including declaring misprocurement, if the Bank determines at any

time that representatives of the Borrower or of a recipient of any part of the proceeds of the loan engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices during the procurement process, selection and/or execution of the contract in question, without the Borrower having taken timely and appropriate action satisfactory to the Bank to address such practices when they occur, including by failing to inform the Bank in a timely manner at the time they knew of the practices;

- d. Pursuant to the Bank's Anti- Corruption Guidelines and in accordance with the Bank's prevailing sanctions policies and procedures, may sanction a firm or individual, either indefinitely or for a stated period of time, including by publicly declaring such firm or individual ineligible (i) to be awarded or otherwise benefit from a Bank-financed contract, financially or in any other manner;² (ii) to be a nominated³ sub-contractor, consultant, manufacturer or supplier, or service provider of an otherwise eligible firm being awarded a Bank-financed contract; and (iii) to receive the proceeds of any loan made by the Bank or otherwise to participate further in the preparation or implementation of any Bank-financed project;
- e. Requires that a clause be included in bidding/request for proposals documents and in contracts financed by a Bank loan, requiring (i) bidders (applicants/proposers), consultants, contractors, and suppliers, and their sub-contractors, sub-consultants, service providers, suppliers, agents, personnel, permit the Bank to inspect⁴ all accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have them audited by auditors appointed by the Bank.

¹ For the avoidance of doubt, a sanctioned party's ineligibility to be awarded a contract shall include, without limitation, (i) applying for pre-qualification, expressing interest in a consultancy, and bidding, either directly or as a nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider, in respect of such contract, and (ii) entering into an addendum or amendment introducing a material modification to any existing contract.

² A nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider (different names are used depending on the particular bidding document) is one which has been: (i) included by the bidder in its pre-qualification application or bid because it brings specific and critical experience and know-how that allow the bidder to meet the qualification requirements for the particular bid; or (ii) appointed by the Borrower.

³ Inspections in this context usually are investigative (i.e., forensic) in nature. They involve fact-finding activities undertaken by the Bank or persons appointed by the Bank to address specific matters related to investigations/audits, such as evaluating the veracity of an allegation of possible Fraud and Corruption, through the appropriate mechanisms. Such activity includes but is not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data and information (whether in hard copy or electronic format) deemed relevant for the investigation/audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verification of information.

Title/position: *[insert title/position]*

Agency: *[insert name of Purchaser]*

Email address: *[insert email address]*

Fax number: *[insert fax number] delete if not used*

At this point in the procurement process, you may submit a Procurement-related Complaint challenging the decision to award the contract. You do not need to have requested, or received, a debriefing before making this complaint. Your complaint must be submitted within the Standstill Period and received by us before the Standstill Period ends.

For Further information:

See Annex III of “[Procurement Regulations for IPF Borrowers \(Procurement Regulations\)](#)”. You should read these provisions before preparing and submitting your complaint. In addition, the World Bank’s Guidance “[How to make a Procurement-related Complaint](#)” provides a useful explanation of the process, as well as a sample letter of complaint.

In summary, there are four essential requirements:

1. You must be an ‘interested party’, in this case, that means a Bidder who submitted a Bid in this bidding process, and is the recipient of a Notification of Intention to Award.
2. The complaint can only challenge the decision to award the contract.
3. You must submit the complaint within the period stated above.
4. You must include, in your complaint, all of the information required by the Procurement Regulations (as described in Annex III).

6. Standstill Period

DEADLINE: The Standstill Period is due to end at midnight on *[insert date] (local time)*.

The Standstill Period lasts ten (10) Business Days after the date of transmission of this Notification of Intention to Award. The Standstill Period may be extended. This may happen where we are unable to provide a debriefing within the five (5) Business Day deadline. If this happens we will notify you of the extension.

If you have any questions regarding this Notification please do not hesitate to contact us.
