9	Mr. Shahid Anwar	Chief Manager (Network & Infrastructure), PRAL/ Member
10	Mr. Riaz Alam	Senior Network Administrator, PRAL/ Member

02. As given in Rule 36 of PPRA Rules 2004, Single Stage Two Envelope process has been adopted in which Financial and Technical proposals are required to be submitted in two separate envelopes. After completion of the technical evaluation, financial proposals of only the technically accepted bids shall be opened publicly, while the financial proposal of bids found technically non-responsive shall be returned un-opened to the respective bidders.

03. The bids were submitted by the respective bidders on 27th March, 2025 at Federal Board of Revenue, Constitution Avenue, G-5, Islamabad. Attendance sheet of bidders who participated in different lots is placed at F/A. It is stated that out of submitted bids only six were opened as the bidder M/s NRTC failed to submit its bid electronically through e-Pads and therefore, bid's hardcopy was returned to the said bidder. Furthermore, the submitted bids were scrutinized meticulously and some clarifications were also sought from the bidders through e-mails for thorough analysis.

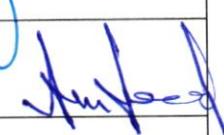

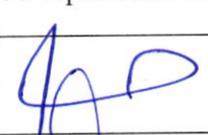

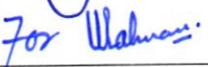

04. During analysis of the bidder's technical evaluation, it was found one Joint Venture (JV) has also participated by the name of Prisma Enterprises (JV Partner M/s Megaplus Pakistan). Upon analysis it was found that the name of M/s Megaplus Pakistan is appearing in the blacklist on the website of PPRA

under Rule 19 of the Public Procurement Rules, 2004 (amended vide S.R.O. No. 834(I)/2021 dated 28th June, 2021) with the remarks that the blacklisting order dated 18-02-2025 is suspended by the Islamabad High Court through its Order dated 24-03-2025, until the next date of hearing same is placed at F/B, hence, it was agreed that M/s Megaplus may stand eligible and complaint on the mentioned grounds. However, upon verification of Prisma Enterprise it was found that it does not fulfill the financial capability stipulated in ITB 33.5(h) and its average annual business/turnover for the last five (05) years does not meet the threshold of Rs 500 (Million). The said JV is considered as non-compliant on technical grounds.

05. The recommendation of the BEC for different lots is as under:
