(VALUATION RULING NO. 1819 /2023)

C.No.Misc/08/2008-II/956

Dated: 18 -10-2023

In exercise of the powers conferred under Section 25A of the Customs Act, 1969, the Customs values of PVC Electric Insulation Tape are determined as follows:

Background of the valuation issue: Earlier, the Customs values of PVC Electric Insulation Tape were determined under Section 25A of the Customs Act, 1969 vide Valuation Ruling No.1589/2022 dated 14-01-2022. However, different stakeholders requested to re-determine Customs values afresh in line with values prevalent in the international market. Therefore, an exercise has been undertaken by this Directorate to determine the same.

2. **Stakeholders' participation in determination of Customs values:** Meeting was convened on 12.10.2023 which was attended by all the relevant stakeholders. The issues pertaining to the valuation of subject goods were deliberated upon in detail in the afore-referred meeting. The stakeholders submitted their proposals and the same were considered pertaining to the valuation of subject goods.

3. **Analysis / Exercise done to determine Customs Values:** The importers contended that the Customs values of subject goods are in line with the prevailing international prices. They also promised to submit the copies of Sales tax invoices to substantiate their claim, but they failed to submit the same. In addition to these proposals, Ninety (90) days' clearance data has also been retrieved and the same has been scrutinized.

4. **Method (s) adopted to determine Customs values:** Valuation methods specified in Section 25 of the Customs Act, 1969, were duly applied in sequential order to arrive at the Customs values of subject goods. The transaction value method as provided in sub-section (1) of Section 25 of the Customs Act, 1969, was found inapplicable due to absence of information as required under sub-section (2) of Section 25 of Customs Act, 1969. Therefore, identical/similar goods value methods provided in Section 25(5) & (6) ibid were examined for applicability to determine Customs values of subject goods. In line with statutory sequential order of Section 25 of the Customs Act, 1969, this Directorate conducted market survey under sub-section (7) of Section 25 of the Customs Act, 1969. Various Wholesale and Retail Markets were visited to observe the variation in the prices PVC Electric Insulation Tape. On the basis of available data / information collected and exercise conducted the values

of PVC Electric Insulation Tape have been determined under sub-section (7), read with Section 25(9), of Section 25 of the Customs Act, 1969.

5. **Customs values of PVC Electric Insulation Tape** – PVC Electric Insulation Tape, hereinafter specified, shall be assessed to duty / taxes at the Customs values as per the following table:
