2. This office received some queries on the EOI uploaded on the webpage of FBR on 07.07.2015. The same needs to be answered in terms of PPRA Rules and also to be uploaded on the same website. The following is the text which is the answer to the above queries. You are kindly requested to upload the same on the webpage.

- "Please be informed that this procurement of ESB is not limited and restricted to integration with China Customs only. If you go through the details mentioned in the Terms of Reference, it will become clear that this software will help Pakistan Customs to integrate not only with China but with other organizations and countries as well. The rest of the queries involve technical details which are not relevant at this stage, and will be clarified later".
